**March Auto Registrations Extended Thru April 1st**

Because of the unusually large number of auto registrations and operator licenses due to expire on March 31, which this year falls on a Sunday, Motor Vehicle Commissioner Vincent L. Tofany has extended the renewal period an extra day.  
As a result of the extension, motorists will have until midnight, Monday, April 1, to drive on their registrations and licenses which normally would be out of date at midnight, March 31.  
They will have Friday, March 29 and Monday, April 1, to have their renewals processed. Motor Vehicle offices are not open on Sunday.

Pine trees growing under conditions of heavy shade are unable to form female flowers. This is probably why the seed cones of the pine are borne on the upper branches.
