

Deborah Karcanes Walsh's First Girl President

Miss Deborah Karcanes, daughter of Mr. and Mrs. George Karcanes of Yorkshire and granddaughter of John Karcanes of Andover, has been elected the first Girl President at Archbishop Walsh High School. The following article was written by Cathy Kamery.

The adjectives in the English language are insufficient to fittingly describe Deborah Karcanes, the President of next year's Student Council. She is cheerful, friendly, enthusiastic, hard working, dependable and unselfish, to mention only a few.

Since her freshman year, Debbie has actively shown herself as a member of the class of 1969. In her early months at Walsh, her outgoing nature sped the feeling of class unity. This friendly face could be spotted at many games and dances strengthening the Walsh spirit.

During her sophomore and junior years Debbie has served as a student councilor. She takes her position seriously, and willingly accepts the hard work and responsibilities that accompany it. Whenever a Student Council project is in progress, Debbie can be found hard at work. Whether it be the candy drive, Catholic Charities, or performing menial tasks that have to be done, Debbie devotes herself to the job, striving for perfection. Putting her school, class and community first, she has given many hours of her time for the benefit of others.

But Debbie is not all seriousness. Her bountiful sense of humor has brought to life many a dull class and meeting. With her contagious zeal she has spurred her classmates to participate in school activities. A demon on the basketball court, Debbie has demonstrated her athletic ability for the past three years in girls' intramurals. She is equally talented on the dance floor.

A native of Yorkshire Corners, Debbie is active in church and civic organizations. She is a member of Blessed Sacrament parish CYO and can often be heard telling humorous stories about CYO activities.

She has held various offices in both her parish and sectional divisions of the CYO. Last year she held the post of treasurer, this year, she is president of the parish CYO and vice-president of the sectional division. She has been elected to serve as a delegate next year to the CYO convention.

Debbie has also shown an interest in her community through her work on the Heart Fund and as Secretary of the Cattaraugus County March of Dimes.

It is because of her friendliness, initiative and reliability that Debbie is universally liked by her fellow students and the faculty. But more important than this, Debbie has earned the respect of the whole Walsh family. This is truly a tribute to her for no one easily gains respect, especially from so many. As a result of these numerous attributes, Debbie has been elected the first girl President of the Walsh's Student Council. Her election further shows Walsh's liberal outlook and broadmindedness and intelligence of Walsh's male members.

Debbie makes no promises of great things to come, but only

In these days of riots and unrest, it is a pleasure to read the facts so clearly written. I especially enjoy your Editorials and "News That's Print To Fit". I would like to commend you and your staff for a job well done.

Grand Canyon, Ariz.

Dear Red:

Here we are nicely located in a trailer park at the Grand Canyon. We left Mesa Verde, Col. on the 20th of May coming South West. Stopped at the place where 4 States corner and took a side trip 20 miles up Chimney Valley. A wonderful sight.

Spent four days in Oak Creek Canyon. Drove South to Montezuma Castle, Montezuma Spring and Camp Verde. Some of the most beautiful sights of the mesas from Oak Creek Canyon South.

We plan to remain here at the Grand Canyon till next Monday, June 3rd, when we will pick up our mail and head west to Lake Mead, Nev.

The Grand Canyon is one of the real wonders of the world. It is 217 miles long and 10 - 13 miles wide from the South rim to the North rim and a mile deep down to the Colorado River.

Over two million people visit this place each year.

Will write later.
Yours

Dear Mr. Editor:

If you read through, word for word, the Constitution of the United States some 600 (six hundred) times in the space of a month, you will no doubt have it verbatimly memorized! At least such procedure worked for me!

I recommend this for the Youth between 18 and 21 who want to vote at 18! We have far too many stupid voters now! Let's get some intelligent voters, voters who know the Supreme Law of the Land (viz, the U.S. Constitution) verbatimly!

(Purists will say that not only the U.S. Constitution and Laws passed in pursuance thereof, AND, plus all treaties done under "the authority of the U.S." ALSO constitute "the Supreme Law of the Land". — But study will show all treaties ALSO must be in accord with the U.S. Constitutional Principles as well! We could NOT via treaty, abolish the Bill of Rights, etc!)
