

Carrol Burdick approaches the reviewing stand with a salute, driving his antique, restored 1920 Fordson Tractor, and 1908 Westinghouse Grain Thresher. This combination was certainly the most unique, and antique entry in the parade — and is sure worthy of mention from our standpoint of view. News Photo

Annual School Meeting Held Tuesday Night

The Annual Meeting of the voters of Central School District No. 1, Andover, Allegany County, New York was held Tuesday evening with 21 present.

Francis Horan was elected as a member of the School Board for a term of 2 years, and Larry G-down was elected to a term of 5 years.

These are just the high-lights of the meeting since the minutes of the meeting weren't available at press time.

As far as the Proposed Budget was concerned, as it appeared in our July 4th Edition, it was impossible to include the financial report with it since we went to press on June 29th — and the School Books couldn't be closed until the 30th of June.

Thus the financial report appears in this week's issue of the "Andover News".
