 An acre of corn releases to the
 air about 4,000 gallons of water
 each day.

Erie County Fair Opens Saturday, August 17th

A daring automobile maneuver, known as "high-skis" is just one of the 28-separate thrill-packed stunts that will be put on at the Erie County Fair at Hamburg, N. Y., August 17th through 24th, by Jack Kochman's Holdrivers — 22 of the outstanding automobile "pilots" in the business. In rapid-fire sequence, the 1968 stock model Dodge cars climb up ramps — or, at least, half the car does. The other two wheels stay on the ground. Then, off the ramps and as far as the car will go on two-wheels before coming down again with a skidding hit to both car and driver. Holdrivers compete each year to see which can stay "up" the longest, with prizes at season's end to the top man. Tony Peterson and Pete Groce are presently in fierce competition for top honors.

The Erie Canal, began on July 4, 1817, took 8 years to build, cutting travel time between New York City and Buffalo from 6 weeks to 10 days.
