Would You Believe
A STONE WORTH \$157,000?

Like to brighten up that dull spot on the mantle? You might try the 28 1/2 carat Timken diamond—a little bauble that runs around \$157,000 . . . \$157,000? On second thought, a vase of cut flowers might do the trick.

By the way, I have a policy that could very well be worth its weight in diamonds to you. It's the disability income policy offered by Farmers and Traders Life Insurance Company. Should you be sick or injured, your disability income policy gives you cash to pay your bills even though your usual income has stopped. Let me give you details about this "personalized insurance" disability income plan.

How much room "to grow in"?

Providing proper support and ample room for your child's sensitive, fast-growing feet requires experience, professional training, patience, care . . . and the right shoes. You'll find all of these advantages for your child here . . . including flexible, lightweight, sturdy Little Yankee shoes. Of course.
