

News That's Print To Fit

Late Flash for all you Hunters — The State Conservation Department announced today that all wild turkey hunting applications for Western New York which were received no later than October 25th will be processed in time for permits to be received by hunters for the November 4 opening day. Applications received after October 25th are being processed and permits will be issued as soon as possible.

The turkey season for Western New York runs from November 4 - 16 and includes Allegany, Cattaraugus, Chautauqua, Chemung, Steuben and part of Erie Counties.

Yep, ours was postmarked from Albany on Oct. 28th — and we received it on the next day, Tuesday. So, if you haven't received yours as yet — don't give up hope, just keep looking!

With Halloween's coming up tonight, we sure hope that the local young people and ACS Students stay away from what may appear to them to be pranks — but turn out to be costly experiences for their parents that could be classified under the law as misdemeanors or malicious mischief. The moving of porch steps from a home where someone might come out after dark and fall — possibly break a leg — maybe their back — or even neck — could certainly be classified under this heading. Also, the damaging of property as a result of what was done — would also come under the same heading.

And, above all, leave the cars and highways alone — so that no one will be hurt or killed as a result of a seemingly innocent prank!

For all of the people that were worrying about the problem of leaves, we note that the Village Crew picked up leaves as scheduled — with a few people not getting them out to the curb on the regular days. However, we also noted that even these tardy ones have been taken care of since then — so that problem has been practically erased.

We also note that there have been several changes made on Main St. We understand that Blanche and Cliff have sold their restaurant to a woman from Bath, N. Y., effective as of November 11.

Glenn Thorp tells us that he is putting in a Billiard Parlor in the old Market Basket Store that has been vacant for some time, and plans an opening as soon as he receives his license and the remodeling is completed.

Then too, Grant has retired from the bar business with Webers announcing plans in this week's issue of the News for a grand opening this week-end.

Now for that big important event coming up next Tuesday. For all of you registered voters — **BE SURE AND GET OUT AND VOTE !!!** Staying home, and pointing because your favorite candidate isn't on the ballot won't solve ANYTHING! If you feel inclined that way — pick out the lesser of what you think are the 3 evils — and VOTE for that Candidate. **NOT VOTING IS JUST AN EMPTY GESTURE !!!** We personally can't go along with anyone whose platform includes the complete registration of all fire-arms as Humphrey is advocating. We also can't go along with registering a protest vote by siding with Wallace. So that leaves Nixon.

Cub Scout News

Due to bad weather, sickness and working parents, the Cub Scout Candle Canvass, was canceled last Saturday and will be held this coming Saturday, Nov. 2, 1968. All Committeemen, Den Mothers, Mons and Dads, who can spare the time please meet with your boy at the Masonic Temple at 9 A. M.

Let's keep Cub Scouting on the move in Andover.

Ghosts and Goblins was the theme for the October 22nd Cub Scout Pack Meeting. The Webelos Den, Jesse Shaw, John Atwell, Dorr Olds, Leaders; and Alan Folsom, Den Chief, had the skit for the month. The name of the skit was "The Spooking Skit". The Dens each made paper bag masks and they paraded their work of art.

Den 3, Mrs. Ed Wilson, Den Mother and Kelly Shaw, Den Chief opened the Pack meeting with the Flag Ceremony.

The parents and Cubs joined in a group sparkler called "There Was A Man".

Attendance was taken by Ed Wilson. The Bear Trophy went to Den 4, Mrs. Jesse Shaw, Den Mother and Keith Shaw, Den Chief and the Cubs for having the most parents present.

Cubmaster Frank Cahill showed the Christmas Candles the boys will be selling this week. This will be our main money making project and the profits from the candles remain in our Pack.

Mr. Harold Huffcut was introduced as a new Committee Member and Mr. John Atwell as a Webelos Leader. Cub Scout Pack 77, sponsored by the Masonic Lodge of Andover, has over sixty Cubs registered and all the help from any adult will better it. We really appreciate all who have volunteered to help.

Mr. Huffcut assisted Cubmaster Cahill in presenting the Cub Awards. Jesse Shaw handed out the Webelos Awards.

Den 3 then conducted the closing ceremony. Kelly Shaw, Den Chief read a poem about our Flag and Keith Shaw played "God Bless America" on his clarinet while all joined in singing.

We also had a visit from a strange ghost. We were wondering if Casper the Ghost wears high heel shoes and has red hair. Maybe, huh boys.

We want to thank each parent that attended our Pack Meeting this month. The Cubs take so much pride in showing what they accomplish each month.

Cider and donuts were served by the Den Mothers.

Parents be sure to come to our November Pack Meeting. We are going back a few years to the gay showboat years. Come see your boy take part in the show of the year. Awards to be published next week

Brownie News

Brownie Troop 219, Mrs. Kathleen Murray Leader, and Brownie Troop 233, Mrs. Kay Shaw Leader, held their Investiture Wednesday, October 23, 1968 at 7:00 in the school cafeteria.

The Brownies formed double horseshoes and each troop's Color Guard came forward with the Flags and opened the investiture with the Flag Ceremony.

Mrs. Murray explained to parents the qualifications each girl must do to become a Brownie. One of which is to learn the Brownie Promise and Sign. Mrs. Murray asked the girls to meet that qualification then.

While the girls formed the Brownie Ring Mrs. Shaw explained about what we as leaders hoped the girls would each gain by belonging. The girls then said the Brownie B's.

At this time each troop leader introduced her assistant. Mrs. Betty Empson Troop 219, Mrs. Joan Wallace Troop 233. The girls were called alphabetically to come up to the magic mirror and say the magic words that would turn them into Brownies. The assistant leaders then pinned them.

After they were pinned the Brownies stepped inside the Brownie Ring and sang the Brownie Smile Song.

Miss Lois Gram and Miss Susan Church were introduced from the Cadette Troop to invest the adult leaders into Girl Scouting.

The Brownies sang a song and did a dance and the Color Guards returned the Flags.

We would like to thank Mr. Kessler for letting us use the school cafeteria. It was greatly appreciated. Also a special thanks to all the mothers who donate, cookies and punch.

Brownie Troop 233

Our Brownie Troop was treated to a Halloween Party Monday, Oct. 28, at the home of Mrs. Edna Monroe. Janet Monroe had invited the girls the first of October to all come up.

We played an apple game, had our Brownie Ring, and were treated to punch, cookies and candy.

We would like to give a special thank you to Mrs. Monroe and to the drivers that helped bring us up. We all had a lovely time.

Junior Girl Scout News

A Halloween Party was enjoyed by 29 girls and 4 Leaders on Tuesday afternoon at the regular meeting of the Junior Girl Scouts.

We also celebrated Juliette Low's Birthday by taking up a collection for the World Friendship Fund. We collected \$2.73 to be sent to the National Fund.

Refreshments and games were enjoyed.

The mothers were present as guests.

Local Red Cross Drive Nets \$1,100

Mr. Charles Joyce, local Red Cross Fund Drive Chairman, announces that a total of approximately \$1,100 was collected in Andover.

Mrs. Joyce expresses her appreciation for all of the workers that donated their time in the drive as well as to the people that contributed.

Legion Auxiliary Notice

The November meeting of the Lynch-Burgett American Legion Auxiliary will be held Monday evening, Nov. 4th at 8 P. M. at the Legion Home.

Be sure to bring your Christmas Gifts to be sent to the Veterans Hospital. Gifts must be of \$1.00 value, unwrapped, no breakables or perfume. Please leave gifts with Floye Lever if unable to attend meeting.

Lunch committee: Sara Schradler and Jessie Ahrens.

If all motor vehicles were powered by batteries, the increased electricity needed to charge the batteries would be at least double the present air pollution from coal-burning generators used to make electricity. (Vicious circle isn't it?)
