A Thanksgiving Prayer

On this day we are thankful for the many blessings which have been bestowed upon us. Too often we are apt to forget or to appreciate the many good things which we have.

We look at the world and at ourselves sometimes and wonder what is wrong. Whose fault is this? All of these wonderful things have been given to us only to have us use them wrongly.

We are thankful for this Thanksgiving Day, a time for happiness and reunion. We are thankful for His loving kindness which gave this land to us to till and make prosperity of: Let us never forget the giver.

Thank - you, Lord, for all these things.

TEAM TEACHING

The innovation in teaching methods in the grades at Greenwood Central School this year is Team Teaching of math and science in grades five and six. Miss Devlin, our fifth grade teacher, has had many science courses in college and has pursued her interest in science teaching by taking two science in-service courses on the new state syllabus of elementary science. This year, she is taking another in-service course, closely coordinated with the New York State bulletin of teaching physical science in the grades. Miss Devlin teaches the sixth grade science while Mr. Dungan teaches her fifth grade math.

CONTINUING EDUCATION

Many faculty members are updating themselves in the content and teaching techniques in their subject fields by their recent college studies. Both Mrs. Barbara Duke and Mrs. Joyce McCawley attended Mansfield State College this summer for a six week course in teaching reading. Mrs. McCawley also took a course in teaching of arithmetic. Mr. Beckwith successfully completed two courses in team sports at Alfred University this summer.

Mrs. Jeanne Fisher and Mrs. Geraldine Lamphier attended a workshop for teacher aides at Bath recently. Mrs. Jeanne Fisher is also taking two courses at Corning Community College evenings.

HUNTING SAFETY

HUNTING IS ONE OF THE MOST POPULAR OUTDOOR ACTIVITIES, WITH MORE THAN 20 MILLION PARTICIPANTS. ALTHOUGH THE INCIDENCE OF FIREARMS ACCIDENTS IS ON THE DECLINE, THEY STILL DO HAPPEN. DO YOU KNOW THE RULES OF SAFE SHOOTING? FOLLOW THESE TIPS SUGGESTED BY THE REMINGTON ARMS COMPANY AND CARELESSNESS WON'T RUIN YOUR HUNTING TRIP!

WATCH THAT MUZZLE! CARRY YOUR GUN SAFELY - NEVER DRAG IT; KEEP SAFETY ON UNTIL READY TO SHOOT. NEVER CLIMB A FENCE WITH A LOADED GUN.

BE SURE OF YOUR TARGET BEFORE YOU PULL THE TRIGGER. KNOW THE IDENTIFYING FEATURES OF THE GAME YOU HUNT, AND NEVER POINT A GUN AT ANYTHING YOU DON'T INTEND TO SHOOT.

UNLOAD GUNS WHEN NOT IN USE - STORE GUNS AND AMMUNITION SEPARATELY - ALWAYS BEYOND THE REACH OF CHILDREN.
