Norman and Ruth Erinstein  
776 Crafton Avenue  
Redlands, California 92373

December 5, 1968

Will you, please help us find our daughter? My wife, Ruth, and I are directing this plea to you and to the ten thousand other newspapers in the cities, towns, and hamlets of this country.

Our daughter, Elizabeth Lurene (Liz) Erinstein, was just two months short of her fifteenth birthday when she vanished without a trace last March 18.

She was last seen walking home from school along a lonely tree-lined street amid the orange groves of suburban Redlands. In her arms, she carried a blue note book and a red algebra textbook.

Since then, law enforcement agencies, family members, and friends have spent countless hours tracking down hundreds of tentative leads. But to no avail. Not one single, slender clue has brightened all our efforts. Seemingly Liz has disappeared like a breath of air on a winter's day.

But, surely there is a simple explanation. Was she abducted? Did she run away from home? Is she dead? Or is she alive and, perhaps, in your town?

You can help us. Ruth and I are begging you to help us find an answer to our torment — to help us end the long nightmare of these past eight months — by releasing our story and Liz's picture in your paper.

The Lord willing, someone in your area may have seen her.

With sincere gratitude,  
Norm Erinstein  
Please, help us

Missing is Elizabeth Lurene Erinstein, W.F.J., 14 years, DOB 5-22-53, POB Columbus, Ohio. Missing has medium length, straight brown hair, brown eyes, 5'5", 105 lbs.

When last seen missing person was wearing a reversible length coat, one side was dark green corduroy fabric, and the other side was a tan raincoat material, blue print dress and white tennis shoes. Subject was carrying a blue vinyl notebook and a red algebra book.

Missing was last seen on Monday, 3-18-68, at 4:30 P. M., while walking her usual route home from school, on Citrus, near Opal Ave., Mentone, California.

Any department having information on the above missing, please contact the San Bernardino County Sheriff's office collect, Area Code 714, TU 90-111, Ext. 386, or write P.O. Box 568, San Bernardino, California, attention Lt. Charles Pollett, Homicide Detail or Lt. W. B. Faruqar, Sheriff's Substation, Yucaipa, California.

Supplemental Payroll No. 8  
\$65.00 373.30

41,747.52 30,526.81  
MARY K. SLADE, Clerk

## Christmas Post Office Hours Announced

## Grange News CHRISTMAS PARTY

The Annual Grange Christmas Party will be held Saturday night, December 14. A 7:30 tureen supper will be served by S & H Committee. Baked Ham and Scalloped Potatoes have been solicited. Each family is asked to bring a dish to pass, also buttered rolls.

A Christmas Program in charge of Worthy Lecturer will follow and an exchange of \$1.00 gifts.

All Grange members and friends are invited.

## Iroquois Telephone Announces Service Improvement

Beginning December 22, 1968 at 2:01 A. M.; all one party telephone customers living in the Alfred, Almond and Andover area will be able to dial their long distance calls "direct" without operator assistance according to an announcement made today by Mr. G. E. Housen, Manager of the Iroquois Telephone Corporation's Alfred operations.

Mr. Housen said that this time saving method, called Automatic Number Identifications, is made possible by the recent addition of new equipment ordered from Stromberg-Carlson of Rochester.

"This latest improvement", Mr. Housen said, "is a further step in bringing to the telephone user the most modern telephone facilities available. The addition (costing approximately \$45,000) is just one more step in our continuing effort to give the best in telephone service to our customers."

"To access long distance, it will be necessary to dial 11 instead of the present 1", Mr. Housen said "for instance" he added, "to dial a Hornell call, you will dial 11 + the Hornell number beginning December 22 — for the calls beyond the 607 number area, you will dial 11 + the area code + the local telephone number". These new dialing instructions will be included in the front section of your new directory to be mailed about December 18.

## Citizens Bank Opens New Banking Center In Wellsville

A five hour celebration, including a ribbon-cutting ceremony, awards of merchandise prizes, and a steady stream of visitors, marked the opening Saturday morning of the new Park Avenue center of the Citizens National Bank and Trust Company.

The new facilities, located in and beside the bank's modern building at the rear of the main building, features two drive-in windows for motorists. The stations, each equipped with two-way voice and television facilities and pneumatic tube units, enable motorists to conduct banking from their cars. Teller stations at the other end of the closed-circuit system serve customers who walk into the newly renovated facilities on the first floor.

## Masonic Notice

The Stated Communication of Andover Lodge No. 558 F. & A. M. will be held Monday evening, December 16, at 8 o'clock.

Election of Officers for 1969 will take place at this time.

All Master Masons welcome. Refreshments.

No food is fattening until the body's need for calories has been met. Then the surplus food is converted to fat and stored.

## News That's Print To Fit

Well folks, it looks as if most of the Christmas Decorations are up along the Main St. section of Andover. (With the exception of three trees yet to be decorated, with one of them ours.) Our forecast about Jean's tree on the corner turned out to be a poor guess that was based on presumption on our part as we had seen her brother looking over the tree and figured that maybe he was going to put the lights on it for her — and our guess was wrong. Thus it looks as if it is going to be a tight race for last place.

The tree is all lighted up in the "Island" and it sure is a nice one which is a very appropriate tribute for the memory of "Charley" who was so faithful in previous years in seeing that this spot was always nicely decorated.

So-o-o, for the ones of us that are lagging behind — how about a pep-rally to spur us into "getting on the ball" — and getting our lights up? Does anyone have a little "pep" to spare?

Say now — what did you think of the "Arctic cold snap" that ushered in this week? We don't know what records were broken (if any) but if you want to do some comparing — here are the official recorded readings thru the courtesy of "the Boys down at the Andover Pump Station": Sunday, the 8th, Low 11, High 20; Mon. L 5, H 12; Tues. L -15, H 13; Wed. L -15, H 28; and today, Thurs. L 21, and H 38, with the temperature dropping to 36 at the present time — and rain or snow predicted. Does that make you "Florida 'Snow-bunnies'" happy?

However, everything has its compensations, so they say and, as a result of the cold weather, we were told earlier in the week that there were 2" of ice on the pond — and by now it should be a good 3" which is presumably thick enough for ice skating.

Which leads us into an interesting and worthwhile project that is getting started — and needs a little help and co-operation.

Rev. Milton Hurne, Pastor of the Christian & Missionary Alliance Church, contacted us about the possibility of getting a skating program under way for the enjoyment of young people and adults as well. We told him the history pro and con of what we could remember in the past and he feels that with some co-operation and supervision that a good skating program could be developed here in Andover.

Thus, according to the information given us, Rev. Hurne attended the Village Board Meeting held Tuesday night and received the promise of Village Officials to install several lights in the Pond area so that night skating would be feasible. He is also seeking the assistance of some local organization to take care of the flooding of the Pond so that a good smooth ice surface can be obtained, which is conducive to good skating.

Then too, the help of another organization and assistance of some local farmers is needed to get some firewood brought into the area so that a bonfire can be built to keep the skaters "thawed out and defrosted".

In addition to this, volunteers are needed to clear the snow off the ice as well as adult supervision to help insure that the installation and program won't be abused.

Anyone wishing to be of any assistance in any way is asked to contact Rev. Hurne at his residence at 43 E. Greenwood St., or call him at 478-4572.

How about it? Any volunteers?

This item is of vital importance to all parents at this Holiday Season — and has been called to our attention by an ex-"Fireman of the Year", "Jim" Jackson, and is closely associated with the fire warning in this week's Editorial.

According to "Jim", miniature cigarette lighters, made in Japan, are available on the local market

Mrs. Mae Spencer was a medical patient in the Bethesda Hospital from Wednesday until Sunday, ill with pneumonia.

Mrs. Ronald Taylor reentered the Bethesda Hospital Wednesday, December 11th as a medical patient.

John Hewes, Andover Central School Coach, was admitted to the Bethesda Hospital Wednesday night as a medical patient.

Ronald Morris, a patient in the Bethesda Hospital has been discharged.

Mrs. Encil Glover, a patient in the St. James Mercy Hospital, has returned home.

Leon Wahl is a patient in the Jones Memorial Hospital.

Mrs. Elizabeth Snyder, a patient in the Bethesda Hospital, has been discharged.

Anthony Dougherty, a patient in the St. James Mercy Hospital, has been discharged.

## Andover Central School To Present Christmas Program December 19

The Andover Central School will present their Musical Christmas Program on Thursday evening, December 19, at 8:00 p. m.

The program will feature a Musical Fantomine starring the First Grades.

Also selections will be rendered by the Woodwind Ensemble, Elementary and Intermediate Choirs, Junior Band, Junior High Girls Chorus, Senior Band, Senior Mixed Chorus and Junior High Chorus, under the directions of Choir Director Mrs. Lois Boyer and Band Director Mrs. Nancy Potter.

## Andover Rod & Gun Club To Meet At Grange Hall

The monthly meeting of the Andover Rod & Gun Club will be held at the Grange Hall Friday, evening, December 13th, due to the Christmas Holidays.

## Edward Seaman Relief Corp No. 155

The Christmas Party for the Edward Seaman Relief Corp will be held Friday, December 20th at the Grange Hall.

## Legion Notice

The regular meeting of the Lynch-Burgett Post No. 397 will be held this Tuesday, Dec. 17th at 8 p. m.  
Sign up for 1969.

in machines for only 10c — and are being purchased by some of the youngsters. And, after testing the one that he confiscated from one of the "smaller fry", he found that it came equipped with flint and was in operating condition. (All it needed was some fluid to be a real potential fire hazard in the hands of small children.)

So parents, it might prove profitable from the stand-point of fire-prevention, to check to make sure your small children don't have this kind of an attractive plaything that could burn you out of house and home.

Yep, in this modern "jet-age" instead of just having to watch out for children playing with matches — its also cheap cigarette lighters!

We understand that Glenn Thorp has made the few necessary changes in his new Billiard Parlor (in the former Lang Block) as requested by the State Inspector and is mailing his letter of compliance today.

Thus, as soon as he gets his license, he will announce the opening of his new business venture.
