### HUMAN RIGHTS WEEK

The week of December 10 - 17 is Human Rights Week. This is just what it says — human rights. Rights for everyone, no matter what the race, color or creed. Rights for the Negroes of this country, the Chinese as well as the Germans. Do Americans grant rights to all these different people?

The United States is a nation of people from every country on earth. All of these people want equal rights. Too often though, Americans let their prejudice and hate get in the way of what is right. Of course, the black man wants to be on an equal basis with the white, but so many whites don't even give the Negro a chance. The majority of the black people continue to exist on a meager salary in the slum sections of the big cities. Their jobs are of the lowest caliber mainly because the white people won't give them a chance to prove themselves. Their education is substandard as so many don't have the opportunity or occasion to attend school much beyond the elementary grades. If only Americans would give these people the opportunity, maybe the riots and disturbances would end.

Remember that Human Rights shouldn't be limited to one week, December 10 - 17, but stressed all year for everyone of every race and color.

## Purple And White

by Mary Howland

The Panthers were very victorious last week in defeating both of their opponents. In their first league game, Andover downed Alfred-Almond 47 - 46. It was a "nip and tuck" game with AA leading by one point with only a few seconds of the game left when Bob Boyer made a basket so that Andover was ahead when the final buzzer rang. Dick Joyce was high scorer for the Panthers, with thirteen points. The Andover J.V.'s lost to Alfred - Almond, 51 - 21.

In the second game of the week a three minute overtime had to be played to determine the winner due to a 42 - 42 tie between Andover and Bolivar. The Panthers came out on top 46 - 45. Dick Joyce and John Fanton were in double figures with fifteen points and twelve points, respectively. The Bolivar Junior Varsity were successful in overcoming our J.V.'s by a 55 - 25 score.

Keep up the good work, Panthers! The 2 - 0 record of the Panthers will be challenged by Richburg on December 17 and by Cuba on December 20. The Richburg game is away, but the Cuba game is home.

Let's all turn out and give the teams the moral support needed for them to be Class Champions!
