e. Status of emergency interim successor. A person designated as an emergency interim successor shall hold that designation at the pleasure of the designator and such a designation shall remain effective until replaced by another by the authorized designator.

f. Compensation. An emergency interim successor shall serve without salary, unless otherwise provided by local law. He shall, however, be entitled to reimbursement for actual expenses necessarily incurred in the performance of his powers and duties.

An emergency interim successor shall perform such powers and duties only until such time as the lawful incumbent officer or his duly authorized deputy, if any, resumes the office or undertakes the performance of the powers and duties of the office, as the case may be, or until, where an actual vacancy exists, a successor is duly elected or appointed to fill such vacancy and qualifies as provided by law. The authority of an emergency interim successor performing the powers and duties of an office shall not terminate upon the subsequent availability of an emergency interim successor higher in rank in order of succession.

Section 5. Recording and publication of designations.

The name, address and rank in order of succession of each duly authorized deputy and emergency interim successor shall be filed with the County Clerk and each designation, replacement, or change in order of succession of any emergency interim successor shall become effective when the designator files with such clerk the successor's name, address and rank in order of succession. Such clerk shall keep an up-to-date file of all such data regarding duly authorized deputies and emergency interim successors and the same shall be open to public inspection. The clerk shall notify in writing each designated person of the filing of his name as an emergency interim successor and his rank in order of succession and also shall notify in writing any person previously designated who is replaced or whose place in order of succession is changed.

Section 6. Qualifications for taking office.

At the time of their designation, or as soon thereafter as possible, emergency interim successors shall take such oath and do such other things, if any, as may be required to qualify them to perform the powers and duties of the office to which they may succeed.

Section 7. Quorum and vote requirements.

In the event of an attack or a public disaster the Chairman of the Board of Supervisors, or his duly authorized deputy or emergency interim successor performing his powers and duties, may suspend quorum requirements for the Board of Supervisors. If quorum requirements are suspended, any local law, ordinance, resolution, or other action requiring enactment, adoption or approval by an affirmative vote of a specified proportion of members may be enacted, adopted or approved by the affirmative vote of the specified proportion of those voting thereon.

Section 8. Separability clause.

If any section, subdivision, sentence, clause, phrase or portion of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof but shall be confined in its operation to the section, subdivision, sentence, clause, phrase or portion thereof directly involved in the controversy in which such judgment shall have been rendered.

Section 9. Effective Date.
