Editorial

By Debbie Baker

On Monday, January 20, 1969, at approximately 12:20 P. M., a new President of the United States was inaugurated in Washington, D. C. Richard M. Nixon became the thirty-seventh President of our country giving his oath on two old family Bibles. His "So Help Me, God," was said with motion, determination, and hope as he began his term to lead the greatest nation on earth.

Will Nixon and his advisors encounter many problems? Certainly one could say that he has had a "hot potato" dropped in his lap. The war in Vietnam continues with the Paris Peace Talks just coming to a head. Henry Cabot Lodge has flown to Paris to begin his appointment as Chief Negotiator. Whether the Nixon administration ends the war or not is being anxiously awaited by millions of Americans.

President Nixon has so many problems to solve in this country. civil rights, poverty, the problems of the cities, and the student rebellion are only a few. It's true that he begins his term in troubled times and his success in calming the trouble will most likely decide whether he is elected to another term.

But it's also true that a measure of his success will depend on the people of this country - the normal, everyday working people. Support should be given when appropriate - in fact, support should be given the majority of the time. It will certainly look better to the world to see that the people of the U.S. are behind their President. For the people are truly the ones that will help Nixon to "Bring Us Together Again!"

Oratorical Contest

Debbie Baker, a junior at Andover Central School and representing our school, placed second in the County Contest held at Bolivar on Sunday. The title of her speech was, "The Living Constitution". The first place winner was Connie Buchholz of Wellsville. Her speech was entitled, "Freedom of the Press". Last, but not least, was Richard Richardson of Bolivar who placed third with his speech "Rights and Responsibilities of the Constitution."

On February 16, Connie Buchholz will represent Allegany County at the District Contest to be held at Fredonia. If for any reason, she cannot attend this contest, Debbie, being the second place winner, will serve as an alternate delegate.

Andover lost its third league game to a strong Selo team by a 58 - 44 score. Bob Boyer was high for the losers with seventeen points. Bob Boyer with eleven points was the only other Panther in double figures. Although we played a great game, Selo beat us. Our J.V.'s lost 63 - 28.

The Panthers borrowed the phrase "50 - 40 or Fight", and beat Friendship by that score. Scoring in double figures for Andover were Dick Joyce with sixteen points, Tom Polmateer with fourteen and Bob Boyer with ten. Nice work, Panthers! Andover J.V.'s lost 55 - 39.

Eight Grade Basketball Team

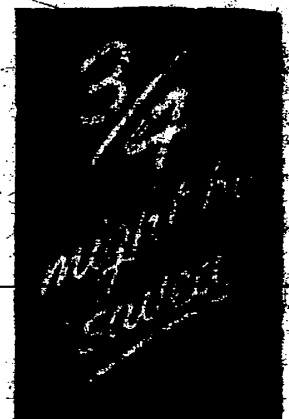

by Tom Polmateer

A new basketball program has been added to our school. It is composed of eighth graders. They practice on Saturday mornings.

The team played the Immaculate Conception School on the Andover Central School court January 18, beating them 44 to 33. Fred Baker was high scorer. The next game that has been scheduled is on February 1 at 11:00 with Immaculate Conception again.

The idea behind this program is to give eighth graders some experience in competition. The team is being coached by Mr. Hewes.

There's A Diet To Fit Your Need

The American public is now well aware that any effective weight control program must include dieting. Hundreds - perhaps thousands - of different diets are presented to us. Most are billed as a "sure-fire" means of trimming off excess pounds. The American Medical Association's home health book, Today's Health Guide, points out that weight can be lost on virtually any dietary plan, good or bad, that ensures a caloric intake less than energy used. It is apparent, however, that many diets are only temporarily effective and do not promote the fundamental purpose of permanent weight loss. Reducing diets, ideal weight charts, caloric-counting tables are available almost everywhere. It is our purpose here to discuss briefly some principles of the good reducing diet. The diet should be individualized in harmony with genetic, national origins, religious principles and personal characteristics. The diet should be palatable and enjoyable. It should be easy to follow. It should be consistent. It should be permanent. It should be based on common sense. It should be based on the principles of good nutrition. It should be based on the principles of good health. It should be based on the principles of good living. It should be based on the principles of good eating. It should be based on the principles of good drinking. It should be based on the principles of good sleeping. It should be based on the principles of good thinking.
