

### Prizes Announced In Firemen's 4th of July Essay Contest

The Firemen's 4th of July Celebration Committee today announced that Susan Church won the 1st prize consisting of a watch and \$5, with runner-up, Cheryl Joyce, winning the 2nd prize of \$4 in the essay contest sponsored

by the Firemen promoting the annual 4th of July Celebration.

A total of 58 essays were submitted to the Parade Committee and a spokesman for the contest stated that the selection of the 1st and 2nd prizes was very difficult since there were so many fine entries in the contest.

Besides the two winning entries, 6 other essays earned an award of merit certificate. The two winning essays appear in this week's issue of the Andover News,

and the 6 which won an award of merit certificate will appear in later data.

The Parade Committee wishes to thank so many of the young people for participating in the contest and for their efforts in helping to make the July 4th Celebration a success.

#### WINNER

"From Sea To Shining Sea"

This phrase comes from a beautiful and famous patriotic song, "America". It means this country of ours, united and free to us. It means the great achievements — the electric light, the telephone, the sewing machine; in more recent years, the rocket. And just last year, the historic Apollo 8 Flight. In other words, it means the pride to be an American — all over this land.

#### RUNNER-UP

"A World of Togetherness"

For the 4th of July, nothing could be more wonderful than a world of togetherness, peace, and a purpose for each man, black or white. Peace for not only our great nation, but for the entire world. But the greatest problem, of how to fulfill this dream remains. Can it ever be? This will be known when, and if, it happens. However, we must realize that each human-being must do his or her part in making this dream a reality. Together with other people of the world I think we can and will fulfill this dream some day soon.

Life is indistructable  
It's Holy flame forever burneth.  
From Heaven, it came  
To Heaven it returneth.

Sadly Missed by wife, mother, brother and sisters.

Termites are social insects like bees and ants, living in well-organized colonies established and centered around a queen and her mate.

### STATE SENATOR J. J. PRESENT SEEKS TAXPAYERS VIEWS ON CURRENT BILLS

In a letter to the Andover News, Senator Jess J. Present, who represents the 57th Senate District (of which Allegany County is a part) in the State Legislature, asked that the following questionnaire be printed in our local weekly paper.

"As your representative in the State Senate, the final responsibility for voting on these matters is mine, but your opinions will be most helpful to me in trying to reach the right decision" he wrote.

Thus, as a public service, we are printing the questionnaire and ask that all people that are interested in any or all of the issues fill out their copy and either drop it off or send it in to the News Office. We will compile and tabulate the results and publish our local results and then send all of the individual questionnaires that are filled in to Senator Present.
