Senator Jess Present Proposes Police Bill

Candidates for police forces in villages with a population of ten thousand or less may be accepted up to age thirty-five. This was proposed by State Senator Jess J. Present (R-Jamestown) in a bill which this week passed both the State Senate and Assembly and now awaits the Governor's signature.

The current civil service law of the State of New York limits police appointments to ages not less than twenty nor more than twenty-nine, making it nearly impossible for some villages to secure applicants for their police force according to Senator Present.

Of the 485 New York State villages with populations under 10,000, 415 have populations under 3,500 he said.

There need be no weakening of our law enforcement system by this new law, Senator Present said, because of the strict physical requirements and rigid training courses which must be met by applicants.

The bill was carried in the Assembly by Assemblyman Charles D. Henderson, (R-Hornell).

J. Ross Swarthout Named Comptroller At Bethesda Community Hospital

J. Ross Swarthout will assume the position of Comptroller at the Bethesda Community Hospital effective April 1. Mr. Swarthout is presently Administrative Assistant of the Rochester Regional Health and Hospital Council, in which position he has been primarily concerned with hospital and Medicare auditing. Previous to this he served as Comptroller of the Seneca Food Corporation and as Cost Analyst with the Ford Motor Company.

A graduate of Ithaca College with a Bachelor's Degree in Business Administration, he also undertook Graduate Studies in Finance and Economics at Syracuse University. Prior to these academic studies he attended the School of Hotel Administration at Paul Smiths College.

In his new position Mr. Swarthout will be responsible for all accounting functions of the hospital as well as admissions and communications.

Mr. Swarthout, 43, is married and the father of four children.

The appointments of JOHN P. Lucas as full time Director of Purchasing will also become effective on April 1. An employee of the hospital since 1961, Mr. Lucas is a graduate of Niagara University with a Bachelor Degree in Business Administration.

In his new position he will be responsible for purchasing all routine hospital supplies, and will supervise the storeroom and printing departments.

Prior to his employment at Bethesda Community Hospital, Mr. Lucas served as a Supervisor and Analyst for the Bell Aerosystems Company in Buffalo, New York.

State Champion Holstein Girl of 1969

Miss Barbara Meehan of Rexville State Champion Holstein Girl of 1969, has completed and sent to National Holstein Headquarters at Brattleboro, Vermont, all of the necessary records, essays and yearly story of her Holstein activities to be entered in competition for National Holstein Girl. Barbara was honored at the recent State Holstein Junior Activity Conference at Kiamesha Lake; she was among 36 finalists competing for the state title.

Miss Meehan is a 1968 graduate of Greenwood Central School where she was an honors student and was active in band, chorus and Homemaking Club. She is now a practical nursing student in the vocational center program operated by the Steuben County Board of Cooperative Educational Services.

Her parents, Mr. and Mrs. Francis Meehan are owners of Frangin Farms where they have developed a fine herd of registered Holsteins. They have also been co-leaders of the area 4-H Club, the Rexville Clovers, for nine years.

Barbara received her first registered Holstein heifer calf eight years ago—a gift from her Dad in appreciation for her help in the house and with the farm work. That calf was Frangin Imperial Bonny, a daughter of Woosterdale Imperial Dean. Bonny and Barbara were a very successful combination, winning many prizes at the Addison Young Dairymen's show and at the Steuben County Fair. Bonny classified Very Good at 88 points and had a top record of 23390 lbs. milk 844 lbs. fat in 360 days as a 5 year old. Bonny also proved to be a fine foundation cow, giving Barbara two sons and two daughters. One of the daughters was selected as Junior Champion female of the 1967 Allegany-Steuben Black and White Show, and also won an award for being the Champion Holstein Female bred by a Junior exhibitor. One of the sons, Chief—the result of a planned mating with Irvington Pride Admiral was sold by Barbara to her Dad to raise and use in the Frangin herd. Chief developed into a magnificent animal, classified "Excellent" at 93 points won many Championship awards and honors and has recently been sold to Curtis Breeding Service, Cary, Illinois. He leaves a very fine group of daughters and sons in the Frangin Herd.

In addition to her work with her Holsteins and the family herd, Barbara has done project work in gardening, home improvement, fire prevention, tree planting, junior leadership and citizenship. She has held all offices of the local 4-H Club, and has been an active member of the Allegany-Steuben Holstein Club. She has won many honors in showmanship and has received excellent ratings on her records. Barbara's foundation herd of seven animals may seem rather small but she has four brothers and two sisters who share her enthusiasm for Registered Holsteins and they also have animals of their own.
