### Editorial

by Debbie Baker

To many, the fearful and ever-present thought of the earth's destruction seems inevitable.

It's widely thought that man will eventually destroy himself, be it by the bomb or some other means, perhaps even internal decay. To so many of us, the idea of it all seems so far away, so impossible, yet it's really not. Any day an all-out war could erupt. I really don't think we need to fear the Soviet Union, but Red China is another matter. With her fanatical approach to everything, it may be only a matter of time before something happens to really shake the world.

It all seems so dreadful to think about, yet we must face reality and realize that it could well happen in our lifetime. However, humans being what they are, is might be thousands of years before our end becomes reality.

### Yearbook Staff

The 1970 Yearbook Staff has been announced. Those chosen are:

- Editor - Karl Graves
- Co-Editor - Debbie Baker
- Layout - Tom Polmateer and Mary Smith
- Subscriptions and Advertising - Cindy Preston, Chairman; Jim Howland, Candy Harvey, Kathy Gorsuch, Diane Stephens
- Art - Maureen Thorp

### Song Titles

- "Summertime" - Kathy Gorsuch
- "In The Gadda-Da-Vida" - Libby, Diane and Karol
- "I Can Hear Music" - Patty and Doug
- "Hot Smoke and Sassfrass" - Jimmy and Dickey
- "Do Your Thing" - Saturday night arty
- "These Eyes" - Kim
- "Dizzy" - Jeannie to Jim
- "Birthday" - Ruthie

### Assembly Program

"The Tops", a program of Gyroscopes, will be presented to the student body in an assembly program on Wednesday, April 2, at 8:45 a. m.

The gyroscope, a mere toy fifty years ago, has grown in importance until today it is a million dollar business vital to our very survival. In this lecture there will be demonstrations of the gyroscope in the form of the gyro-compass which has made the polar and space flights possible. This is only one of the many uses of the gyroscope which will be demonstrated during this presentation.

The assembly program should prove to be both educational and entertaining to the students.

### Spy!

Debbie, whose red corvette did we see taking you home Saturday night?

Tom, I see you got pretty wound-up at the Junior Play Party without any outside help.

Patty, it looks like you're shut-off from playing the role for a while.

Danny, I see that your RT got "stung" by a super bee last week.

Diane, how was your week-end in Rochester with the Joyce family?

Lynn, did Gary take you for a nice ride in his new car?

There seems to be a lot more black marks out on the flats since some of the college hands came home.

Kathy and John, I bet you were surprised after the play when Mrs. Kessler came out from behind the curtain.

### Easter Vacation

School will close at the end of the regular session on Wednesday, April 2, for the Easter Vacation. Classes will resume on Monday, April 14.

### Junior News

by Chris Bergerson

At this time the Junior Class would like to thank all of the people who supported them by attending the Junior Play. The play "Father Knows Best," was a great success due to the superb direction and patience of Mrs. Kessler. Again we offer our thanks to her.

The total sum of money that was collected was \$216.75. The profit has not been compiled as of this date.

The Stanley Products arrived at A.C.S. last Monday, so don't be surprised if a representative comes knocking at your door.

### Downbeats

On this coming Saturday, March 29, the All-County Band and Choir will present their concert in the Bolivar Central School auditorium at 8:00 P. M. Students participating represent many of the area schools including Andover. As they have all worked hard to make this a success, we would like to urge the public to attend and reward their efforts. It will be a very enjoyable evening.

### Cubs

by Tom Polmateer

In the first Cub Basketball game on Wednesday, March 19, the Royals defeated the Warriors by the close score of 21 to 19. Bob Jackson was the leading scorer with 9 points. Fred Baker was the top scorer for the losers with 8.

The second game was another hard fought battle with the Celtics coming out on top of the Lakers by a score of 31 to 30. Pat Mulconery had 11 points for the winners with Allan Green coming through for 10. Ed Wilson had 11 for the Lakers.

### Cafeteria Menu

Week of March 31 - April 2

MONDAY - Lasagne Casserole, Lettuce Salad, Bread and Butter, Prunes, Milk.

TUESDAY - Vegetable Soup, Meat Salad Sandwich, Pineapple Tidbits, Milk.

WEDNESDAY - Potato Chips, Boiled Egg, Buttered Peas, Bread and Butter, Easter Cake, Milk.

The white pine weevil is the most serious insect pest of the eastern white pine.

### Senior Interview

by Cindy Preston

During this first week of the new Spring season, the students and faculty at Andover Central School are proud to honor Frederick Stuart Middaugh, who was born October 23, 1950 to the proud parents, Mr. and Mrs. Frederick Middaugh. Fred has one brother and three sisters.

He has majored in Body Shop at the Andover Central School in Andover. His activities include swimming, two years, and Track, two years. His hobby is cars. In the future, Fred plans to join the Navy.

### Purple and White

by Mary Howland

The fifth and sixth grade boys will play a basketball game at 10:30 on Saturday, March 28. The "Jump Shooters" composed of Mrs. Schwarzenbach's and Mrs. Boyce's boys will oppose the "Rebounders" composed of Mrs. Alexander's and Mrs. Plaisted's boys. The public is invited to attend.

California and New York are the greatest users of wood in the nation, and the greatest centers of wood use in the world.

## You get a little over \$4.00 for every \$3.00 you invest.

## And that's nothing to sneeze at.

Some people have misconceptions about Savings Bonds.

They think they're a safe investment but they don't really give much in the way of returns.

Look at it this way. U.S. Savings Bonds now pay 4 1/4% interest when held to maturity - a little over \$4.00 back for every \$3.00 you invest, in just seven years.

On top of that, the interest is exempt from state or local income tax, and Federal tax may be deferred until

you cash the Bonds. That can make a real difference in what you actually get back on your investment.

Also, buying Series E Bonds lets you purchase higher interest Freedom Shares in combination - and they pay a full 5% when held to maturity of four and one-half years.

Any way you look at it, Savings Bonds are a good investment.

And you know something?

They always will be.

## It's In The Cards!

George Washington played cards here, there and everywhere. His diary contains sundry mentions of evenings spent at the card table with a detailed record of games won and lost.

There's more to a playing card than paper and ink. According to the Congress Playing Card experts, the "mix" which makes a card a good player consists of no fewer than eight substances.

These include: casein, latex, borax, satin white, carbon black, carnauba wax, china clay and shellac.

The King of Diamonds is the only one-eyed monarch in the modern pack of cards. According to legend a likeness of Julius Caesar, copied from an old coin, was the model for the original King of Diamonds back in the 15th century.
