## Rep. Hastings Reports

Representative James F. Hastings has introduced legislation designed to bring about urgent reforms in the census.

The Congressman said his proposal would repeal criminal penalties attached to the 67 subjects now on the 1970 census questionnaire.

Representative Hastings sponsored a bill to eliminate the \$100 fine and 60-day jail sentence which can be imposed on citizens who refuse to reveal personal information about themselves and their households.

"I suggest that the proper approach is to limit mandatory questions to such subjects as name, address, age, head of household, and persons in the home. Other questions should be made voluntary," the Congressman said. "I feel certain that most citizens will cooperate with the Bureau of the Census on information that is needed."

Representative Hastings said the Constitutional purpose of the census is to count people and that other information is a secondary object.

EDITORS NOTE: — To this we say AMEN!

## IRS SAYS: Be Safe — Use Check — Not Cash!

Do Not Send Cash to IRS  
 Pay your 1968 Federal income tax by check or money order, not in cash, John E. Foley, District Director, Internal Revenue Service at Buffalo, advises.

Taxpayers who send cash thru the mail have no record of payment in case of loss or misdelivery. Mr. Foley pointed out that payment can be stopped on a misplaced check or money order and a new payment made.

Checks or money orders should be made payable to the Internal Revenue Service. It helps to write your social security number on the check or money order and state the exact purpose of the payment. Income tax payments due on your 1968 return should be mailed to 34 West Mohawk Street, Buffalo, New York 14202.

Taxpayers are reminded to be sure to compute the 7.5 percent surcharge on line 12B if filing the 1040 form and on line 8B of the 1040A form. Failure to include the surcharge accurately will delay refunds, and cause recomputations of their returns.

A total of 2,842 miles of snowmobile trails have been provided for public use on state owned land by the New York State Conservation Department.
