Editorial

by Debbie Baker

To find out what the average student thinks of affairs today, I asked one of the A.C.S. students for his opinion on several subjects.

Q. What do you think of the war in Vietnam?

A. I think we're right in fighting.
 Q. What's the greatest problem in the world today?
 A. Population explosion.

Q. What do you think of President Nixon?

A. I think he's all right, but he hasn't done anything.
 Q. Do you think there's a generation gap?

A. No, because kids act a little childish, but they still go to their parents.

Q. Do you think college students have a right to revolt?

A. No, it isn't right. They shouldn't be able to say how the college is run.

Q. Do you like the times you're living in?

A. No, I'd rather be back in the 1800's. It was better living and more peaceful then.

Q. What's the biggest problem in the U. S.?

A. Air and water pollution.
 Q. What's the biggest problem faced by young people?

A. Life. They don't like to work and they dress terrible.

Q. Do you think that school really prepares you for life?

A. No, they don't give the students a chance to do what they want. The parents are paying the taxes and the students should be able to take what they want.

Q. Would you ever drop-out of school?

A. If I had a good - paying lifelong job, I would.

These are the opinions of one student. Maybe you agree with him in his answers and perhaps you don't. However, he was sincere in expressing how he really felt and what he believes.

Sports Banquet

by Bob Brown

The Andover Sports Banquet was held Monday, June 2 in the School Cafeteria. Mr. Robert Knight, head coach at West Point Military Academy, was the guest speaker.

All girls and boys who participated in Sports this year received their letters and other awards. Hal Sisson and Phil Dixon presented the Class C Soccer Trophy to Mr. Connor Stephens. All the Soccer players received smaller, individual Trophies.

Bob Joyce received a Golfing Trophy for his fine performance at the Bolivar Country Club where he shot a 77 to win the County. Bob went to Rochester and placed fifth in the Sectionals. Nice going, Bob!

The dinner was excellent and was served quite professionally by the G.A.A. girls. A special thanks to Mrs. Jean Brown for helping in the kitchen.

The turn out was very good with many parents and guests being present.

Thanks again to all who participated and helped to make the Banquet a success. Many special thanks to John Hewes, our Coach, for arranging the whole event.

Remember When

by Noreen Thorp

As the Seniors finish their thirteen years of school, let's go back to when they were just beginning and see if they "remember when".

Robert Lynch had a new baby colt in 1959.

Karol Gavin attended "Coon Dog Trials with her father in 1959. Robert Brown went fishing Sunday at Hallsport with his father, caught a trout in 1959.

Donald Billings had a new baby brother in 1959.

Linda Leon had a new baby rabbit in 1959.

Ray McCormick visited Santa Claus at Baker's Hardware in 1957.

Robert Tomm's father had a new bird dog. Robert Tomm went on a trip to Pennsylvania in 1958.

Richard Godown spent the week at the home of Joyce Mattison in 1957.

Tommy Dixon treated the class to candy and gum. Hal Sisson visited Bob Tomm Friday P. M. in 1959.

Senior Interview

This week we honor Noreen Rae Thorp, the daughter of Mr. and Mrs. Donald G. Thorp, who made her way into the world on November 11, 1951. Noreen has a large family of three brothers and six sisters.

Throughout high school she has majored in science and participated in many activities, especially sports. Noreen has been a cheerleader for four years and was a member of most of the girls' sports teams. She has been very active in F.H.A., being a voting delegate in her freshman year, after which she went on to become the treasurer, vice-president, and president. Noreen's other activities include Choir, four years; Red Cross, four years, being president in her junior year; President of her class in her sophomore year; Hi Herald, three years; Library Council, three years; and G.A.A., four years, having the office as a president as a Junior. Noreen played the part of Shirley in the Junior play and the part of Jessie in the Senior play.

Aside from sports Noreen enjoys working at the Andover Theatre and babysitting.

Upon graduating she plans to attend Quondaga Community College.

The students of Andover would like to wish Noreen the best of luck in whatever she tries to accomplish.
