Last Saturday, Shinglehouse, undefeated in six starts, was downed by the Redwings 2-1. Jim Cannon pitched the win, scattering four hits and fanning eight. He also had two hits and scored his team's two runs. The only run scored off him was unearned. The Redwings scored the winning run in the bottom of the seventh as Cannon led off with a single and moved to third on Dick Joyce's double.

An infield hit by Neil Graves loaded the bases and Tom Monico sacrifice fly to center brought in Cannon with the winning run. The Redwings played their finest game of the season in this real big win over previously undefeated Shinglehouse. And to the fans who watched this one, you must agree, that Jim Cannon's pitching gets better each game.

Last Sunday, Friendship edged the Redwings 5-4 in the rain. The Redwings held hitless for 6 2/3 innings almost pulled it out in the ninth! The Redwings finally got to McCarthy, the Flyers pitcher, in the eighth for two runs, but fell one short in the ninth after a rally that scored two more runs! John Hewes and Dick Joyce pitched well for Andover, but were hurt by several errors in crucial spots. This is the second straight game that errors have prevented John Hewes from winning — in fact 9 errors and 9 unearned runs in the two games he has pitched. This was a tough one to lose as it would have put us into a tie for second instead of fourth place! The Redwings are at Angelica next Sunday and return home the following Sunday, June 22, to face a real tough Crosby nine! Hope to see you there!

## News That's Print To Fit

Well Folks, things are following about true to form — either a "feast-or-a famine"! Last week we had so many pictures — we didn't know what to do with them and had to end up leaving the picture of the Andover Redwings team out and, of course there wasn't any room for any scintillating remarks in this column.

This week we have no many ads that we won't have as much room for some of the items that we would like to run. Looks like we will have to run a special page next week with all of local graduates and their pictures that have been coming in from the different college — and then no ones feelings can be hurt if they all appear at the same time.

The most important thing that we can think of that needs a little discussion — is the Republican Primary next Tuesday!

We strongly recommend and urge every one of you eligible voters to turn out for the Primary Election — and at least do your part in selecting the person of your choice to represent YOU in the different positions that are open for election.

On the Town level, you have a choice of at least two candidates for each office. And, in making your selection, one thing that we feel is important, is how much ambition and energy they have put out into things that they have done in the past — either in the organizations they have belonged to — or in public office. Another thing — is how much interest and effort they have put into their campaign.

On the County level — we are supposed to select three candidates to represent the 5th District in the new County Government plan. But Boy!!! What a "bucket of worms" that appears as if it may turn into.

Have you thought of the possibilities of what could happen with seven candidates running for the 3 spots on the ballot? Do you realize that two of our biggest Townships might end up without a personal representative?

Take Alfred for instance. They have two candidates — and the voters can only vote for one of them. This means that if the voters are split fairly even — each will end up with only 1/2 of the available votes that they otherwise could muster. And, suppose a much smaller Township concentrates all of their votes on just their own 1 candidate — and doesn't vote for two others — their candidate might easily end up with more total votes — and thus be selected.

The old saying that: "all is fair in love and war" should be brought up-to-date, because it certainly should include POLITICS! In our opinion, this new County Government set-up that was voted in by less than 20% of the eligible voters in the County — is a classic example of misunderstanding — and false promises!

Let's all exercise our privilege of voting for the candidate of our choice in next week's Primary. Then if things don't turn out for the best — at least we have made an honest attempt — and I have a perfect right to be critical of the end results!!! PLEASE GET OUT AND VOTE!

## ACS Alumni Adjourn In Honor Of Wm. C. Cannon

The Andover Central School Alumni Association adjourned its annual dinner meeting on Saturday, May 31, 1969 in honor of William C. Cannon, Class of 1890. Although unable to be present, Mr. Cannon, a resident of New York City, sent a letter of greetings to the Alumni and especially to the Class of 1969.

Following a delicious smorgasbord served by the Class of 1970, the program was held in the gym. There were over 250 members present. The toastmaster Paul Kibhane, '44 introduced Francis Horan '44, Alumni President, who welcomed the group to the school. Robert Tomm 1969 Class President, responded on behalf of his Class.

James Kessler, Principal of A. C.S., in his remarks stated that schools are not made of stone, they are made of people. He also discussed merger plans presented by the State, budget problems and laws that can seriously endanger our present programs.

Mrs. Charity McCormick '53, Alumni secretary, read Alumni letters and Roll Call of Classes. Letters came from Doris Livermore Robinson 1919, Charlotte Coryell Hilde 1939, William C. Cannon 1890, Clair Goodridge 1957.

J. Emmett Dawson, Class of 1919 responded for his 50 year class. He stated 50 years has made a difference in school plants and program. Four of seven surviving class members were present including: Mary Boyd Horton, Hetty Nobles Blackman, Monica Padden Connors and Mr. Dawson.

Twelve of the twenty-five year class (1944) were present. Mary Kay Cannon Slade, an unwilling spokesman for her class said that those present would know how old you are now. Among those present were Paul Kibhane, Francis Horan, Mary Slade, John Richardson, John Potter, Dewey Northrup, Bernard Burger, Carl Shutt, Virginia Joyce Louk, Marilyn Hardy and Norma Crowner Cedruly.

Flowers were presented to the Class of 1919, and guests James Nobles and Bernice Nobles represented her husband John. The floral centerpieces were given to John Nobles and Agnes Taylor. A floral piece was also sent to Mrs. Harriet Schwarzenbach retiring sixth grade teacher.

Guests introduced were "Jim" Nobles, Ann McDonough Edwards, Charles Hall, Koneta Perkins Coates, Ethel Jakel Gath, William Malloy, Ruby Jordan and Ruth Baker.

Mr. Horan then made formal presentation by the Alumni Association to the school of two Dawn Redwood trees. These were presented in honor of Jim and John Nobles, retired custodians, who had given many years of faithful service to the school and who were friends to all students of A.C.S. A standing ovation was accorded Jim and John. These trees have already been planted along the main highway side of the athletic field near the tennis courts.

Following adjournment in honor of Mr. Cannon, a group of 200 enjoyed dancing and socializing at the K of C in Hornell.

The 1969-70 Alumni Officers are:

President — Robert Baker '1945  
Vice-President — Robert Tomm '1969  
Secretary — Charity McCormick '1953
