To The Voters Of The Town Of Andover:

On May 9, 1969 my petition was filed in Belmont.

If I am elected, I will do all that is within my power to see that Andover has a sound, economical Town Government.

I feel that problems cannot be solved by one person. Therefore, I feel that an open-mind discussion usually gives the best solution for these problems. I also feel that once these solutions are arrived at it is a must for all members to give their support in carrying them out so the Town may benefit.

With the above in mind I am urging you to give me your support by voting for me as a Supervisor of the Town of Andover on Tuesday, June 17, 1969.

LARRY F. RYCKMAN

PLEASE EXERCISE YOUR RIGHT TO VOTE FOR ME IN THE PRIMARY!
