

Red's Racetrack Rambles

Hello there racing fans. Well, what did you think of the races Saturday night — enough excitement for you? From our standpoint of view, all 8 classes put on the best show that we have seen in a long time.

Since we are pressed for space this week — guess we had just better hit the high-lights first and go on from there. In the 1st heat of the Sportsman Class, Charles Woodworth, No. 5, hit No. 71 on the backstretch and rolled up on the side — and right back on his wheels again — without too much apparent damage.

In the 1st Modern heat, Wesley Rogers, No. V05, managed to keep his hot bomb on the track — and won his first heat of the season. In the 2nd heat, Ray Kent, No. 28, and Basil Shutt, No. 13, put on a beautiful duel with Ray crossing the finish line less than a car's length in front of Basil. Then during the Feature, Ray jumped out to a fairly early lead, and by the time that Basil worked his way up thru the pack, the race was pretty well over with. However, the two boys picked up where they had left off in the heat — with Basil doing his best to catch Ray — but to no avail, with the boys crossing the finish line in the same order as the heat.

In the Hooligan "Consy", Clayton Kirk, No. 34, rolled over on the top of his car coming out of the No. 4 turn — but after several breathless seconds — he crawled out unscathed.

In the Sportsman "Consy", Kieth Jordan, No. 01, was in a tight race for the No. 1 slot coming into the No. 4 turn on the last lap — and spun out, managed to get his car back into operation — and drove backward over the finish line to still pick up second position.

And, during one of the races, No. 45, that Paul Hideck drove for the first time in the Modern Class, caught fire in the pits while the boys were working on it — and burned up completely.

For a brief re-cap of the evening's racing results: In the Hooligan class—Barry Road, No. 81, won the 1st heat; Lew Martin, No. 43, took the 2nd; Steve Houghtaling, No. 27, the 3rd; and David Buckley, No. 55, the "Consy". In the Feature, Steve Houghtaling, No. 27, was 1st;

Skeet Crane, No. U/P, 2nd; Lew Martin, No. 43, 3rd; Robert Halm, No. 31, 4th; and Ron Bowers, No. 91, 5th.

In the Sportsman Class — Bill Deming, No. 11, won the 1st heat; Fran Jackson, No. 56, took the 2nd; Fran Galligan, No. 17, the third; and Bill Hall, No. 28, the "Consy". In the Feature: Mike Clark, No. 3, was 1st; Chuck Wright, No. 66, 2nd; Herb Layfield, No. 48, 3rd; Ken Calkins, No. 98, 4th; and Charles Woodworth, No. 05, 5th.

In the Modern Class — Wesley Rogers, No. V05, won the 1st

heat; Ray Kent, No. 28, the 2nd; and Gary Shultz, No. 7, took the "Consy". In the Feature — Ray Kent, No. 28, was 1st; Basil Shutt, No. 13, 2nd; Gary Shultz, No. 7, 3rd; Arnie Flint, No. 97, 4th; and Phil Pipe, No. 16, 5th.

Well Folks, that wraps it up for this week so, so long for now — and see you at the races? Oh yes, don't forget that the Modern 100 lapper is coming up this coming Saturday.

Thinking of building a farm pond this summer? Cornell bulletin E-949, "Farm Ponds in New

York", tell how to do it and some of the precautions that must be taken. New York State residents

may request single, free copies from the Mailing Room, Research Park, Ithaca, N.Y. 14850.

JUNE 15 FATHER'S DAY

How to Preserve a Husband

(Paste This Recipe In Your Cook Book)

Select one not too young, but once chosen, give your entire thoughts to preserve him for domestic use.

Some wives keep them in a pickle; others are constantly getting them in hot water. This makes them sour, hard to get along with and sometimes bitter.

Even poor varieties become sweet, tender and good, if garnished with patience, well sweetened with kisses.

Keep them warm with a steady fire of domestic devotion, a mantle of charity and forgiveness and serve with peaches and cream. Prepared this way they will last and taste good for many years.

THIS RECIPE IS A PUBLIC SERVICE MESSAGE to BENEFIT ALL HUSBANDS AS OUR FATHER'S DAY TRIBUTE.
