Editorial

by Debbie Baker

As we near the end of the school year, we look back upon the last ten months with a feeling of gratification and just a little bit of appreciation. The year has gone by so fast and probably the Seniors are wondering where it ever went to.

There is so much to be done in this world that it's a little difficult to speculate on who will be doing what twenty years from now. Will the successful student be a success in the game of life? It would be difficult to project, for so often the obvious doesn't turn out to be right.

The most that can be done is for everyone to work his hardest and put his best into whatever he chooses to do. Those Seniors who are going to college should remember that higher education is not only a privilege but a responsibility. They owe it to themselves to make the most of the opportunity.

So it is every year with the graduating class. They leave and with them go so many fond memories. All of us will miss them; they in turn will miss their friends, but they have a wonderful opportunity for making a new life and new friends.

Senior Interview

As the school year rapidly approaches its end, the students at Andover Central School would like to take this opportunity to honor Cynthia Louise Walter. Cindy was born January 13, 1952, the second child of Mr. and Mrs. John F. Walter. Cindy grew up with an older brother and a sister younger than herself.

Cindy, a business - science major at Andover, plans to continue her education at Alfred Tech. Her ambition after completing college is to become a medical secretary.

Cindy played the role of Maxine in the Junior Play. She has been a member of both G.A.A., and Future Nurses for three years. Cindy has also been active in Red Cross Council and Library Council for the past two years. As a member of the Yearbook Staff she helped to produce Memoirs of '69.

We at Andover Central wish Cindy the best of luck and success in the future.

Purple And White

The girls junior high softball team lost to Hornell 5 to 6 last Tuesday night. Scoring runs for Andover were: Harriet McCormick, Neila Potter, Judy Bliss, Karen Ormsby, and Sue Herr. Pitcher for Andover was Teresa Polmateer.

Senior Interview

This week we are proud to honor the Salutatorian of this year's class, Margaret Ann Tuttle. Peggy was born July 24, 1951 to Mr. and Mrs. Alan Tuttle. She has one brother, Jeff.

Throughout high school, Peggy has majored in math, science and music. She has been active in Senior Band, six years; Chorus, two years; and Orchestra, three years. Other activities have included Red Cross, four years; Cheerleading, one year; Camera Club, one year; G.A.A., four years; Library Council, two years, being President this year, and Hi-Herald for three years. Peggy has been a member of the National Honor Society for three years and also received the Geometry Award in her sophomore year. She participated in both the Junior and Senior Plays, playing "Darielle" and "Winnie", respectively. Peggy's hobbies include water skiing, bowling, and swimming.

She received the Allegany County Scholarship from Alfred State Tech which she plans to use next year in attending school there. Peggy would like to continue her education at Syracuse or R.I.T. after completing two years at Alfred.

Everyone at A.C.S. is proud to have Peggy as a fellow student and we would like to wish her the best of luck in everything she does.

Junior News

The Junior Class has elected Class Officers for their Senior year. The new Officers are:

- President - Mary Smith
Vice-President - Tom Polmateer
Secretary - Danny Grant
Treasurer - Cindy Peston
Student Council Representative - Jim Howland
Alternate - Jane Day

Poems By The Eighth Grade

These poems were written by students in Mrs. Burger's eighth grade English class:

School
Huge, Hard, Boring, Thingy.
Testing, Teachers, Principal,
Mother, Father, Working, Eating,
Relaxing, Close, Soft, Home -
Class

Zoom, zoom - by go cars;
Blue chevy, white ford; green ford
My they sure go fast.

On a summer day,
Grass is green and warm it is
Breeze sure does feel good.

Arlene Hess

Men fight and die for
Our lives on this earth to give
Us freedom from fear

Herman Rouse

In the summer time
The sun shines bright in the sky
That is a nice time

Joyce Rouse

Birds flying swiftly
High up in the great blue sky
Wings smooth like satin.

Carol Merrick

Pomes by Edward Billings
SPRING

As snow leaves and melts,
Comes, Spring is here at last, to
Cool us in it's mist.

Object

An object, my friend,
To joy us when we need pleasure
Any time of the day.

Voices are all
Any land, the only good noise
In the noise of the day.

Comes the twilight at the
Night falling House

REMEMBER - -

DAD on HIS Day

Sunday, June 15th

No need to have your hands
look as though they were
straight from a punch. Switch
to Koratron. Koratron slacks
by Higgins can be set in,
traced, or rolled back to shed
wrinkles and regain their good
looks minutes after being
crushed.

When you see the Koratron
slacks as well as slacks made
by Higgins, you're looking at
something that will always look
magnificently pressed without
any trouble. Koratron slacks
should be machine
washed, tumble dried and never
ironed or pressed.

From \$10.00
