Red's Racetrack Rambles

Greetings, Racing Fans, we have two evenings of racing at Woodhull to report. Red is still at camp — the Texan went home and I've got the honors.

Some of the evening's highlights — Several cars lost wheels and spun out. No. 9 slow rolled in front of the stands — No. 77, driven by Bill Higby burst into flames crossing finish line. Bill was OK — No. 13 driven by Basil

Shutt, smoked up the track when his engine breather was damaged after being "ironed" in No. 1 turn. The last event of the evening was the Demolition Derby. This was a "smashing" event. 1st place went to Skip Carpenter driving No. 12, or should I say what was left of No. 12. Best Show went to Terry Neal in No. 0. I can truly say there was little left of No. 0. Terry probably had to pay a junkman to take what was left. Outstanding show. 5 July 69 — The afternoon rains left Woodhull a little slick, but in good condition otherwise.

"Consy" — 1st, No. 6X, George Robbins; 2nd, No. 69, Chuck Crance; 3rd No. 55, Dale Buckley.

Feature — 1st, No. U/P, Skeet Crane; 2nd, No. 6X, George Robbins; 3rd, No. 08, Clair Tracy; 4th No. 1, Ray Patterson; 5th, No. 31, Bob Halm.

Sportsman Class — 1st Heat — 1st, No. 64, Larry Eccleston; 2nd No. 71, Gary Benjamin; 3rd, No. 19, Phil Bacon. 2nd Heat — 1st, No. 70, Bill Felker; 2nd, No. 63, John Sharp; 3rd, No. 69, Dick Barnes. 3rd Heat — 1st, No. 17, Fran Gallagan; 2nd, No. 20, Marty Halbert; 3rd, No. 66, Chuck Wright. Erskin. Highlight of the evening — No. 7X, driven by Dale Flint, coming out of No. 4 turn, slammed into the bank at the Starter's position in front of the stands, did a couple of hard snap rolls to the middle of the track. Several cars narrowly missing him. Dale was shaken and dazed, but alright. A hard way to do your "thing".
