**You're close to the source**

Doctors rarely tell you where to have your prescription filled. They know you'll choose a qualified professional pharmacist. As your neighborhood pharmacist, we're your convenient source of medication. We work closely with your physician. No matter where or who he is, we can fill his prescriptions. On refills we can clear with him... all we need is the number on the bottle. It's a comfort to know that your source of medication is nearby.
