Ag-Tech To Hold Alumni Picnic Sunday, Aug. 31

Area alumni and their families will be attending the annual Alumni Picnic Sunday, August 31, at the State University Agricultural and Technical College at Alfred.

The picnic, bringing together both the oldtimers and some of the more recent graduates of the college which was founded in 1908, will be from noon to 4 p.

m. at the Lake-Lodge facility located off Route 244 in the Town of Alfred. The site is about two miles from the college's new West Side Campus.

Gerald McCartney, director of alumni affairs, has issued a special invitation to members of the 50-year and 25-year classes who will be recognized at the event. "We have tried to contact all the 1919 and 1944 graduates but probably have missed a few whose current addresses are not in our files," said McCartney.

Presiding at a brief program will be Milo Van Hail, associate dean of the college and president of Alumni Association. Leather-bound diplomas covers and appropriate certificates will be presented to both the Golden Anniversary group and the Silver Anniversary class members in attendance.

Vincent Petric of Almond, a graduate of the school and former

member of the Alumni Association's Board of Directors, is making arrangements for the picnic. He reminds alumni that facilities will be available for both inside and outside picnicking with the Alumni Association providing the beverages and charcoal fires for cooking.
