College Opportunity

The test date for the 24th annual National Competitive NROTC Examination has been set as 18 December 1969. Parents and high school officials should remind eligible high school seniors and graduates interested in a rewarding career of leadership in service to the American people to submit their applications before 14 November 1969.

The regular NROTC program offers an outstanding opportunity for a young man to gain a regular Commission while studying at one of the many NROTC colleges and universities. The Navy furnishes tuition, fees, books, and uniforms, plus a subsistence allowance of \$50 per month to NROTC Midshipmen. Each summer NROTC Midshipman go on interesting and rewarding at-sea training periods. After completing his college course and all military requirements an NROTC Midshipman is Commissioned as a regular officer in the U. S. Navy or Marine Corps.

and goes on active duty with the operating forces.

The program is available to male high school seniors and graduates who have reached their 17th but not 21st birthday by 1 July 1970. Those who make a qualifying score on the Navy college aptitude test will be interviewed and given thorough medical examinations early in 1970. Approximately 1,700 young men from those remaining in competition will thus be selected to attend college next September to prepare for their Naval service.

1970 NROTC bulletins of information and application forms are available from local high school counselors, the nearest Navy Recruiting Station which is located at 10 Seneca St., Hornell, New York phone 607-324-5454.
