GENERAL ELECTION
Tuesday' Nov. 4, 1969

TO THE VOTERS OF —

The Town of Andover and the other six townships of the Fifth District: Alfred - Almond - Amity - Burns - Ward and West Almond.

On June 17th, I was nominated by the Republican Voters of the above District, as one of the three Legislators for the County Board of Legislators in Belmont. The other two Candidates nominated are: Supervisor Robert McNinch of Amity, and Supervisor Leonard Watson, of West Almond.

For the past eight years, I have served the Town of Andover as its Supervisor, which position made me a County Supervisor also. These two positions have now been separated.

Most of my time has been devoted to handling the affairs of Andover. I would like to continue for one term, devoting practically all my time to the affairs of the Fifth District, and Allegany County.

Representation of the twenty-nine Townships in Allegany County is going to be a problem, starting on January 1st, 1970.

Protection and Representation of citizens is one thing; 'Equal' Representation is quite a different matter. The Constitution of the United States and also the State of New York, guarantee 'Equal' Protection and 'Equal' Representation.

If you elect me as a Legislator on November 4th, I will handle the County affairs of Andover and the other six Townships of District No. 5, to their best interests, and will endorse all Legislation which will fulfill the guarantees of the Federal and State Constitutions.

LEONARD S. BRIGGS
Supervisor, Andover
