Cindy Preston Wins Bausch and Lomb Science Award

Andover Central School is announcing the winner of the Bausch and Lomb Science Award. This award is given to the outstanding senior student having the highest scholastic standing in science subjects. We are happy to say that this year's winner is Miss Cindy Preston.

Cindy, the daughter of Mr. and Mrs. Merton Preston, is so active that you'll never find her standing still. Choir, band, cheerleading, and editing the school newspaper are only a few of her many involvements.

In receiving the Honorary Science Award, Cindy will be eligible to compete for a Bausch and Lomb Scholarship at the University of Rochester. Awards are based on merit, but stipends are based on need, and range up to full tuition. Cindy will be presented with a bronze medal — a life-long reminder of the goal she has reached.

The students of Andover would like to congratulate Cindy on this accomplishment. We know that anyone receiving this award has had to work pretty hard and Cindy is just that kind of girl.

Editorial

Veterans' Day

Veterans' Day commemorates the courage and patriotism of all the men and women who have served in the United States Armed Services. It is celebrated throughout our nation on November 11.

The idea began in 1919 when President Woodrow Wilson proclaimed November 11 as Armistice Day to remind Americans of the tragedies of war. In 1954, Congress established Veterans' Day to honor all American Veterans.

We celebrate Veterans' Day each year with a parade. Although it is usually quite cold, the band marches and the small services are held in the park. However, not many residents of Andover ever seem to be there. I think this year, we should all make an appearance, regardless of the weather, and show that we care about the sacrifices which these veterans have made.

On Veterans' Day, let us all make a special effort to remember the veterans of the United States Armed Services.

What Is A Friend?

Sometimes during a hectic week or two of school when you are so busy with extra-curricular activities that your grades fall and your temper wears thin, you tend to hurt the people you love most. When you are angry and upset, the main tendency is to strike out at others. And, unfortunately, the ones who are the people you strike out at are your friends. Being your friends, they usually understand that you are not necessarily angry with them, but possibly with a home or school situation.

Just what is a friend? The Webster's Seventh New Collegiate Dictionary defines a friend as follows: friend — 1a. One attached to another by affection or esteem. b. acquaintance 2a. one not hostile.

To me, a friend is someone who enjoys your company, likes to be with you and likes to share things with you. When I say share things, I don't mean just material things like a candy bar or a bottle of soft drink. I mean that he or she likes to share your good times and bad times, your "ups" and your "downs". He wants to express his sympathy in time of grief and to share your joy in a moment's worth of personal glory.

Another thing about friendship is that it cannot last if only felt by one of the persons involved. If you only know a person slightly but think that he seems very interesting or fun to be with, make the first move speak to him. It doesn't have to be a carefully thought-out speech; just say "Hello" or "good morning." And, the best secret of all to know is to always smile. A smile is an international way of communicating.

Try it next time you see someone. You'll be surprised how quick and simple as well as gratifying it can be to make new friends! Remember, smile!

F. H. A. News

by Grace Herr

Attention!!! Please don't forget the F. H. A. dance being held Friday, November 7 here at Andover Central School. "The Grim Reappercession" will be playing from 9:00 - 12:00 and refreshments will be available.

On Wednesday, November 15, the F.H.A. students attended the Fall F.H.A. Rally held at Canas-eraga Central School.

Also, the executive council has come up with some new ideas for this year. From now on, all F.H.A. meetings will begin promptly at 3:15 p. m. We will have meetings every second and third Monday of the month unless otherwise notified. There is also a new "probation Rule" going into effect. This rule says that any members who are absent from meetings without cause or disrupt the meetings will be placed on probation. If they do not improve their status, their membership will be disqualified. I sincerely hope that we will not have to do this to anyone.

Next week we hope to be able to tell you more about the F.H.A. Dance!

Purple And White

by Jim Howland

Andover finished the '69 Soccer season with a 1 - 2 loss to Keshequa. Jim MacMichael scored Andover's only goal. The overall record for the Panthers was eight wins, three losses, and two ties.

The good word for the day is "seventy". Only five seniors will be lost for next season. This means that next year and the year after there will be experienced players coming back.

The swimming team started practice Monday, November 3.

Senior Interview

by Andy Gram

This week we shine the spotlight on a senior girl. See if you can guess who she is. She was born on July 20, 1952, and has one younger sister. She is majoring in Cosmetology.

This senior has been very active in extra-curricular activities. Aside from playing the part of Ramona in the Junior play, she has been in Choir, one year; a Cheerleader, two years; a Major-ette, four years and in F.H.A., and G.A.A., both four years. Also she has participated in Hi Herald, four years; Future Nurses and Library Council, both two years and in Camera Club, one year. Last year she also found time to participate in the Oratorical Contest. In addition to that, this year Kat—oops! (almost slipped) she is on the Yearbook Staff. As you've probably guessed this week's senior is Kathryn Louise Gorsuch. The students of A.C.S. wish Kathy all the best for the future.
