 Specifications for above may be obtained at the office of the Superintendent, Belmont, N. Y. The Allegany County Highway Department reserves the right to reject any or all bids.

JAMES A. YOUNG
 County Superintendent of Highways 45

State Univ. Construction Fund Will Accept Bids
 The State University Construction Fund will accept bids on a contract estimated at \$119,000 providing for construction of an addition to the Horticultural Facility at the State University Agricultural and Technical College at Alfred, Governor Rockefeller announced.

Increased enrollment in Ornamental Horticulture has necessitated expansion of the present facilities. As designed by architects Faragher & Macomber of Rochester, the addition will be rectangular building, adjoining on two sides the existing L-shaped Horticulture Building. A laboratory for landscape design and drawing, preparation room, a blueprint room and plant materials laboratory, two offices and storage space are included in the plans. A brick exterior will match adjoining brick walls. The roof deck of the addition will be insulated fiber with bulb ties on beams. The floor is concrete slab on grade with perimeter insulation partitions on concrete block. August 20, 1970, is the completion date set for the work on the project.

Sealed bids will be received at the Albany offices of the State University Construction Fund until 2:00 p. m., EST, November 19, 1969, at which time they will be publicly opened and read aloud.

The capital construction program being carried out at the State University Agricultural and Technical College at Alfred, is part of the State University's multi-billion dollar physical development program directed by the State University Construction Fund, headed by Dr. Anthony G. Adinolfi, general manager. This public benefit corporation was established in 1962 by the Legislature upon the recommendation of Governor Rockefeller to expedite the construction of facilities to meet the State University's Master Plan requirements.
