Editorial

June 1971 is here at last. After thirteen long, but somehow short, years of waiting, we seniors have only a few days of school left. These days are full of "lasts" and "firsts" for the Senior Class. Test week, the Senior Barbeque, the Prom, Baccalaureate, Commencement and the Senior all-night party.

Don Sisson - Superstar

This year it was Andover's privilege to be represented both in the Section V Class C Track Meet and in the Section V Super Meet. How did he manage this? The answer comes in two simple words - actually in a name - Donnie Sisson. On June 5, Donnie placed second in the Section V Class C meet held at Hornell. Donnie had a time of 10:41 in the two mile run. From Hornell, Donnie went on to the Section V Super Meet held at Rochester Institute of Technology on June 8. Here he placed seventh in the same event with a time of 10:36. Donnie's best time in the two mile run (and also a school record) is 10:28 which he achieved at the County Meet on May 23. The students of ACS want to congratulate Don on his fine performance. It's students like him who "Keep America Going!"

Senior Interview

It gives me great pleasure to introduce another one of my fine classmates this week. Her name is Kimberly Ann Waters. She is the daughter of Mr. and Mrs. James Jackson. She was born September 1, 1953 and has two sisters and three brothers. The past two years, "Kim" has been a member of the team in Belmont at BOCES. Her activities include FHA for four years, GAA for one year, Red Cross for four years, Treasurer in sophomore year, H.H.S. for one year, and Future Teachers for Junior year. She also played the part of Carol Blanche in the Junior Play. Upon graduating, Kim plans to resume her duties as a full-time housewife and mother. In case you are interested, Kim is married to Dale Waters and has a little baby boy. Good luck to you and we hope you have a very happy future.

Feature

As the end of the school year draws to a close, for the seniors everyday becomes more packed with things to do. In between review classes, final tests, and catching up on overdue homework assignments, the seniors are sandwiching in barbeques, parties, proms, and graduation rehearsals. On June 18, with the help of Mr. and Mrs. Collins and Mr. Brace, there was a Senior Class Bar-B-Que for the seniors and guests. This cheerful Bar-B-Que made up for the chicken the seniors missed out on in October. A Prom committee has been chosen and has begun work on the Junior-Senior Prom which is to be held June 25. Baccalaureate will be held June 27. Announcements have gone out inviting friends and relatives to Commencement exercises, June 28. Afterward the graduates will celebrate with an all night party consisting of a dance, movies, splash party, and an early morning breakfast.

Purple And White

Gregg Shellman closed out his Varsity career for the Panthers with a super effort from the plate and the mound. From the mound he struck out 13 on his way to a 4 - 2 win over Fillmore, his 8th win against two losses. From the plate he blasted a 340 two run homer, giving the Panthers an early lead. This win brought Andover's first Class "C" baseball championship home. Tied with Fillmore for the regular season, a coin toss decided the team's opponent for the sectional. Rod Wallace, who had over suffered early losses in the Sectional tournament, stepped on the stage for last Thursday's exciting game. Andover's overall record was 10 - 5, including two victories over a Scio club which was undefeated at a 8 - 0 in the Class "D" league. Besides Gregg Andover will lose only two other Seniors from it's championship club, Rod Brown and Steve Tomlin.

Senior Interview

This week's outstanding Senior is Dorothy Wilma Kapke, born January 5, 1953. Majoring in Cosmetology at BOCES in Belmont, she is the daughter of Mrs. Frances M. Kapke. Dorothy has one brother, Robert Buchsenschutz and two sisters, Cheryl and Doris Jean Merriam. Dorothy has previously attended Wellsville and Cadersport schools. Her activities include FHA for four years and Red Cross for four years. Her hobbies are swimming, horseback riding, TV stamp collecting, button collecting, fishing, hunting, driving, and a rather interesting hobby of collecting rocks for her rock and flower garden. Dorothy's plans for the future are uncertain, but as always the students and faculty at ACS wish her happiness and success.

BABE RUTH NEWS

Sports Banquet

On Wednesday, June 9, Andover Central School sponsored a Sports Banquet honoring its athletes. Awards were given to the members of the Soccer, Swimming, Basketball, Baseball, Track Cross-Country and Cheerleading squads. The main speaker was Edson "The Kitchin" Kitchin, head coach at Cuba Central School, who is retiring this year after 37 years of service. Mr. Kitchin delivered a very forceful and meaningful speech on the benefits of an athletic program for a school's students. Besides the main speaker, Sid Miles (Toastmaster), John Hewes (Physical Education Director of Andover Central), Paul Fuller (J. V. Coach), Pat Codespodi (Girls Physical Education Director) and Elmo Bardeen (Swimming Coach), were all present.
