

Amy Burgett, Worthy Matron, watches as Fay Boyd, who has been a member of Anna W. McArthur Chapter No. 242 Order of Eastern Star, of Andover, for 30 years, starts to cut the cake specially prepared and presented to him for the occasion as Clyde Yorton, Worthy Patron, stands by anticipating a sample.

The regular meeting of Anna W. McArthur Chapter of Eastern Star was held at the Masonic Temple, Andover, June 14th. Following the meeting, Fay E. Boyd, was honored as a fifty year member.

Mr. Boyd was conducted to the dining room and seated at the head of the table, set in the form of a horse shoe. It was decorated in hues of gold and daisies. He was presented a fifty year pin, by our Worthy Matron, Amy Burgett.

A program followed under the direction of Clyde Yorton. It consisted of an appropriate skit of his life as a member of the Eastern Star. Duets by Susan McClure and Richard Godown; a short history by Elizabeth, were among the features. Mr. Boyd responded with a humorous talk.

Cake made to honor our fifty year guest, and ice cream were served to about fifty guests, several of whom were his fellow Masons.

News That's

Print To Fit

Hello again Folks! Did you think that we had a broken arm? Or maybe had forgotten how to write?

Well glad to say — it's nothing like that! — Just a case of — too many pictures and too much news to fit into 8 pages.

Then, after a week that started out bad — and rapidly progressed in the same direction, accelerating as it went — well, guess we are lucky to even be alive!

Oh yes, the final blow was when we had a mechanical failure with our scan-engraver that cuts our pictures. — It started with streaks on the baseball picture on the "Herald" page — steadily got worse. And by the time we were able to get an expert in to fix it — well it was too late to cut the picture of Eagle Scout Brian Cannon getting his award and Major Ralph A. Allen receiving his National "Sword and Pen" award.

So Folks — hopefully the "ornery critter" is fixed now and we can carry these pictures and stories next week as well as some of the College Graduates that we have on hand if the Editors' picture has to wait — it sure indicates that no preference is shown 10-4?
