Burdick & D'Arcy Win Primary Contest

Sheriff Richard C. Burdick overwhelmed his opponent, Legislator Robert McNinch by a 5 - 1 majority in Andover and by a nearly 4 - 1 majority County-wide in the contest for Republican nomination for Allegany County Sheriff.

Jack D'Arcy, Assistant District Attorney for the past 7 years and a resident of Wellsville, easily beat out his opponents, Assistant D. A. Sal G. Capizzi from Fillmore; and Dick Tolins from Alfred, in the 3-way race for District Attorney.

Here are the statistics for the voting in Andover:

	For Sheriff		
	Dist. 1	Dist. 2	Total
Burdick	67	70	137
McNinch	17	8	25
For District Attorney			
D'Arcy	48	48	96
Tolins	26	16	42
Capizzi	18	14	32

County-wide the totals were: Burdick — 2,772; McNinch — 771. For D.A.: D'Arcy — 2,012; Capizzi — 972; Tolins — 655.

In the November General Election, there appears no opposing candidate for D'Arcy for D. A. However, Sheriff Burdick will face Police Chief Mike Fiordo, the Democratic candidate from Wellsville, in the race for Sheriff.

Well Taxpayers and Voters, you have been had again! Your lack of legal knowledge and/or public interest has lost you the privilege of voting on another matter of interest to all local Taxpayers.

At the regular monthly meeting of the Andover Village Board, a Village Police Justice was appointed at a salary of \$600 a year, and a Deputy, Assistant, or Alternate Justice (call it what you want) will have to be appointed later at an undetermined salary as of this date.

We are not taking issue at this time over the feasibility, need, or justification of creating these additional offices — only what we feel to be the People's rights to vote on matters where the Taxpayers money is to be spent.

However, this is the second time this year that local Taxpayers have lost their right to vote on what we feel are vital issues. The first time was over the election of three Town Assessors or the appointment of 1 Assessor by the Town Board — which was lost by default with NO LEGAL PUBLIC NOTICE by the Town Board. And in this last instance where DUE PUBLIC NOTICE WAS GIVEN by Village Officials, it was a case of a petition that was not pertinent to the issue and too late. It seems that legally, a petition had to be submitted within 30 days from the date that the resolution was adopted by the Village Board requesting a Public Referendum signed by at least 5% of the enrolled or registered Voters of the Village of Andover. And, since this was not done, this resolution was legally adopted.

Since hindsight is always better than foresight, only time will tell whether justice will be best served — or not. 10-4?

In the wake of the Attica prison uprising, rebellion, riot, madness — call it what you may — a few questions have emerged that we would like to see answered.

First — Why was TV Station WGR— Channel 2, the only TV News Media that the prisoners would allow in at the scene of the rebellion? Was it because WGR has colored Newsmen that would be sympathetic towards the prisoners — and see that the camera coverage was slanted in their favor? And, by having exclusive coverage, wasn't it highly profitable to the station?

Second — Why was Activist lawyer William L. Kunstler summoned and allowed to give the prisoners advice? Was it for peaceful settlement — or continued demands? In an interview on the first days of the riot he stated: "We have confidence that an early settlement can be arrived at if reasonable demands are met." Yet later on in the so-called News, he appeared to be stirring up the prisoners by telling them that the wording wasn't right in the concessions that were offered. After the assault he changed his tune to — "State Officials didn't wait long enough!"

And now he accuses the Governor of being a "barbarous murderer". Why isn't Kunstler the actual murderer when he was on the spot and had a much better chance to bring it to a peaceful ending? And the decent men as he refers to the prisoners as? How did they become "decent men" so fast when they are convicted rapists, arsonists, mad bombers, killers with all of them felons? How decent were they to the guards that they beat up so badly so that one of them died from the beating? Were these decent men?

Third — Why was a lawyer from the U. of Buffalo summoned and what was his role? Not to mention colored Legislators — or the Liberals sympathetic to their cause? What is the connection to all of these co-incidents if any? Could it all be a part to a plot to uprisings in prisons all over?
