Mrs. Zella Gibson of Gold was an overnight guest Saturday of Mr. and Mrs. Alvin Teribury and attended the RLDS Church Conference.

"Operation Santa Claus"

Army Reservists of the 98th Regiment with units in Olean and Wellsville are announcing their intentions of joining hands with their regular Army counterparts of the Fifth Brigade, C. S. T., at Fort Dix, New Jersey, in an aid program which is called "OPERATION SANTA CLAUS". This program calls for the collection of repairable toys, games etc., as well as clean re-usable clothing, which will be distributed to the needy children, and families in and about the sprawling military reservation of Fort Dix. This program, which has been in operation for several years, annually collects, and repairs hundreds of toys and garments which, when repaired by volunteers of the 5th Brigade, and members of their families, bring smiles and much happiness to many children on Christmas Day, who might otherwise find that they had been forgotten at a time, when visions of sugar plums, toys and other goodies so dear to a youngsters heart, bring so much happiness and joy at the festive time of Christmas.

The 98th is setting up collection points in the Bradford Jamestown, Olean and Wellsville area. Residents of these areas are being asked to save any repairable toys, games, dolls etc. and clothing.

The Wellsville area activities will be under the supervision of SFC Robert J. Healey or John Cole 593-3896. Andover area is Harry Weber, 478-5912, where donors may drop off any materials they may care to donate to this worthy cause. For those in the Wellsville area, call 593-5474 and Andover area 478-5912 and they will be advised when and where their gifts may be sent. This drive will close October 30th.

"Become a Santa's Helper — help make "Operation Santa Claus" a real success — and make a lot of G. I. kids happy this Christmas."

Notice To Taxpayers

Oct. 31st is the last day for payment of School Taxes. Fee is 2% during the month of October.

 - Crime Control Planning Commission
 - Director, Municipal Police Training Council

- Married, with one child
- Native of Allegany County
- Graduate of several FBI Seminars
- Seven full and part-time deputies
- Pays close attention to costs

To the Residents of Allegany County:

For the past 21 years, I have been associated with the Allegany County Sheriff's Department. I have been your Sheriff since 1969. Throughout the years the County Sheriff's Department under Vanama Jones and, lately, myself has an excellent record of full cooperation with area law enforcement agencies.

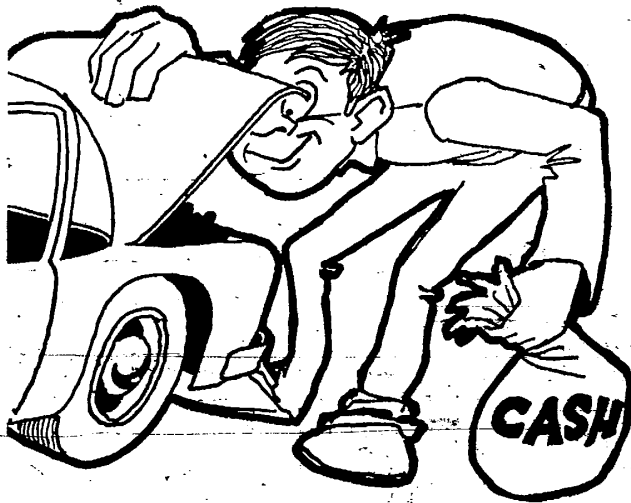

It has come to my attention many people feel that merely because a man has a police background he is qualified to be a sheriff. Basically this is true. However, the handling of criminal action is but one facet of the Sheriff's duties. A considerable amount of the Sheriff's Department's work deals with civil court action—a function in which the ordinary policeman does not become involved. This is a complicated area—one requiring knowledge of the laws regarding the serving of civil papers. I offer you 21 years of experience in this.

My Democratic opponent is constantly calling for Sheriff Department's highway patrols. Basically I am not opposed to this if indeed you, the taxpaying public, indicate that you want that service and are willing to pay for it. I feel it is the Sheriff's job to serve the people of the County—not to dictate their needs to them.

I offer you no miracle cures for imagined wrongs, but rather continued smooth service between the public, law enforcement agencies, and your Sheriff's Department. As such, I would appreciate your vote Tuesday, November 2.
