Editorial

by Jeanne Atwell

Monday, November 15, was the opening day of Deer Season. It was a day which was looked forward to by many hunters. It's such a popular hunting season in this area, that we even got the opening day off from school.

However, along with the enjoyment of hunting, there are many precautions that have to be taken. Before one can catch his "bride and joy", there are many things that he has to do.

First of all, a hunter should know all of the rules and regulations. He may not even realize that he is doing something wrong until it is too late.

The ability to control one's impulses is a very major part of hunting. A hunter has to exercise this control at all times. If a man shoots at any noise he hears, he could end up killing another hunter. What he thought was the buck he had been waiting for all day could very well turn out to be his best friend.

To me, the most important precaution that has to be taken though, is the fact that safety does come in numbers. Many men split up, with each going in a separate direction. This is just inviting an accident. If somehow, a hunter is injured, it may be hours before someone gets to him. By this time it may be too late.

You may think that I write too many articles on safety. I wouldn't write these articles if I didn't think that they had some importance. I value my life. Do you value yours?

As you are browsing through the Annual PTA Open House this Thursday, November 18, you will notice again this year that the Annual Book Fair is being held in the high school library. This event, sponsored by the Library Council, under the direction of Mrs. Conde has been a yearly event since 1956. The Book Fair started as a Library Council project, but has expanded every year.

The Book Fair will be held Thursday night in the high school library. The following Friday and Monday it will be located in the elementary library.

The Fair offers a wide variety of novelties for purchase such as games, coloring books, paperbacks and children's games. Price will range from two cents to seventy-five cents. This Fair provides a great deal of fun for all grades and it is a rewarding and educational experience for all.

FINMEN

The Andover Swimming Team has seven returning lettermen with six first year swimmers trying to improve last year's 2 - 10 won-loss record. Returning lettermen include Jess Grossman and Don Sisson, both are seniors. Dave Dodge, Roger Godown and Tom MacMichael which are Juniors and Keith Shaw and Don Lang who are the only sophomore lettermen.

Voni Mattison Receives DAR Award

Voni Mattison is the recipient of the 1972 DAR Good Citizens Award. The Award is based on dependability, service, leadership and patriotism. The senior class chose three candidates and then these names were submitted to the faculty for a final vote.

Last Saturday, Voni along with other DAR winners from area schools, participated in a written test. The results of this test, scholastic record and recommendations based on the girls' qualifications will determine a District Winner and beyond this the New York State Good Citizen.

In honor of the local award, Voni will receive a pin and a Certificate of Award at a tea to be held at a later date.

Other swimmers include Dan Dodge (who is back after a last year's absence) and Jeff Lewis who are both in there last year in high school. Bill Goughenour, who is a sophomore. Freshmen competing for their first year include Chris Mattison, Allen Lewis, and Tom Welbezahl. Managers include John Davis, Kelly Shaw, Scott Bundy and Rusty Godown.

It should be pointed out that three boys on the swimming team went to a swimming camp for a week. The were Tom MacMichael, Chris Mattison and Don Sisson. Things look promising for the Finmen. Following is the schedule for 1971-72:

- Dec. 9 Thurs. — Wayland at Andover — 7 P.M.
- Dec. 13 Mon. — Naples at Andover — 7 P.M.
- Dec. 16 Thur. — Andover at Canistota — 7 P. M.

- Jan. 31 Mon. — Canistota at Andover — 7 P. M.
- Feb. 3 Thurs. — Andover at Addison — 7 P. M.
- Feb. 7 Mon. — Andover at Bath — 5 P.M.
- Feb. 10 Thurs. — Alfred-Almond at Andover — 7 P. M.

Senior Interview

by Pam Crittenden

The seventh senior to be interviewed is James Louis Davis, presented to Mr. and Mrs. Louis Davis on April 20, 1954. "Jim" was the third asset to the family, having followed his older sister, Linda and her brother, Wayne.

"Jim" has majored in math and science throughout high school. In keeping up with his studies, Jim has also found time to be very active. He has participated in the Varsity Club, soccer and basketball for four years. Also, he is a member of the Red Cross. Last year he worked on lights in the Junior Play, and has the part of a judge in the Senior Play.

Jim plans to further his studies by applying at Alfred State Tech and pursuing a course in either Business Administration or Agricultural Business.

Which ever you decide, we know you will be successful. Good luck!
