No. 15

Editorial

by Diane Bliss

Remember back a few years when you got elbowed for not singing the school song at a basketball game, for missing the big soccer game of the year or for not shouting loud enough to be heard over a multitude of other voices? Maybe you don't remember this seemingly famous quotation either: "Where's your old school spirit?" If you don't, maybe I can remember for you and answer that inevitable question all in one.

It was somewhere around five years ago when we Juniors and Seniors were in Sixth and Seventh grade. To some, that's an eternity ago, while for others it seemed like just last year. There were our first pep rallies and the dittoed sheets with the Alma Mater written in faded print. And everyone knew the cheers. There was the screaming, the Pep Band and this funny but great feeling you got after committing your enthusiasm and lung power to stand up and shout, "Andover!" If even made some feel proud to tear down the ego and pride of the rival town claiming this town to be "number one". But was it? Weren't the students from the other towns just as sure that they were top?

Now most of us participate in one sport or another. A great majority of us have felt the pain, both physical and mental, forgotten when winning but all the more apparent when losing. How often have we seen someone go crashing into the bleachers, grind their knees into the dirt, collide and pile up, or pass out from exhaustion? How often have we watched and felt the same pain because it happened to us at one time or another. For some participants, the shouting isn't even heard. Maybe others need it for that extra drive, but the cheering, the encouragement doesn't have to be verbal. Now there are many of us, spectators or participant, with a sense of unity and encouragement found in our faces. We can choose to cheer or remain silent because now we know that instead of being for "the good of the school" or "the old school spirit" it is more for the good of ourselves and one another. Besides, aren't we the school? Through all our pain and joy we have found a little part of ourselves, each other and something I'll call "the new school spirit".

Labels For Education Program

Mrs. Greene's fifth graders won first prize in the Labels for Education Program with 1380 Campbell Labels. Mrs. Morris' kindergartners took second prize with 824 labels and Mrs. Griffiths' kindergartners took third with 694.

The grand total collected was 7210. Shortly, the elementary grades will receive a Califone Classroom Record Player from the Program. This record player will be used by the grades. When not in use it will be kept in the Elementary Library.

Every Friday the Library Council members sorted and tied the labels in packages of 100. A weekly record was kept to show how many labels had been brought in by each grade. Many grades were close to winning a prize.

Many thanks to all those parents and friends who sent in or brought in Campbell labels. Without their help, our contest would have failed. The record player is especially needed in the elementary grades.

Downbeats

by Mike Richardson

A selected group of students from Andover Central School will attend a lecture - demonstration at Houghton College on Monday, January 20 at 1:30 p. m. They will be working with a Synthesizer. This electronic marvel can do many things with and for music.

Senior Interview

On November 5, 1967 Joan and Merle Dibble were blessed with a new baby boy. His name was Jeffrey John Dibble. Jeff has three sisters, Joyce Ann, Pamy and Monica, and two brothers Mike and Steve.

Jeff's sports activities include soccer, three years; basketball, four years; and baseball, two years. He was also the sports announcer in the Junior Play.

Jeff's major is Machine Shop. His future plans are undecided.

Swimming

John Davis

January 6, Andover had a Swimming Meet at Naples. Andover took three first places - one in the 100 Freestyle by Russ Godown; one 100 Backstroke by Marty Grossman; and the 100 Breaststroke by John Davis. Other places were:

Russ Godown second in the 50 Freestyle

Gary Barden second in Diving and 100 Fly

Marty Grossman third in the 200 I. M.

Eric MacMichael third in Diving

John Davis third in the 100 Fly

Terry McCormick third in the 500 Freestyle

The final score of the Meet was Naples 56 and Andover 27.

Then on January 9, Andover traveled to Canistota where Marty Grossman gave a tremendous performance in the 200 I. M., shattering the school record by 15 seconds. He also cut two seconds off his 100 Backstroke time. John Davis picked up second places in the 200 Freestyle and 100 Breaststroke and Russ Godown also got seconds in the 50 and 100 Freestyle.

Congratulations, Boys!

Pantherettes

The volleyball team went to the Sectionals at Nunda on January 13, to play Genesee. The girls put up a well-rounded fight, but lost with scores of (15 - 5 and 15 - 13).

Some of the girls will now join the basketball team which began practice last week. The girls on the volleyball team have been unable to play, since it is illegal to participate in another sport, while in the Sectionals. Congratulations girls for a GREAT volleyball season.

Basketball season had a turn-out of fifteen girls. Good luck this year and back to the Sectionals again!

The first game is January 22 Good Luck Again!

Sophomore Dance

by Lori Stein

The Sophomore Class of Andover Central School is sponsoring a dance featuring "FRIENDS" on Saturday, January 18 from 8 - 12.

We hope you will all come and have a good time!

Snow Trails

BOB BREWSTER
OUTDOOR EDITOR
Mercury Snowmobiles

A FEW SIMPLE ECONOMY MEASURES CAN EXTEND YOUR SNOWMOBILING PLEASURE SUBSTANTIALLY. IN PRE-MIXING GASOLINE OR FILLING THE SLED'S FUEL TANK, TAKE YOUR TIME. YOU'LL SPILL LESS.

USE THE PROPER FUEL-OIL MIXTURE, SUGGEST THE MERCURY SNOWMOBILE ENGINEERS. MIXING TOO LITTLE OIL INTO THE GASOLINE IS DANGEROUS; MIXING TOO MUCH IS WASTEFUL. BE SURE TO MIX THOROUGHLY.

AVOID EXCESSIVE IDLING. WHEN YOU PAUSE ON THE TRAIL, REACH FOR THE IGNITION KEY AND SHUT DOWN. A WARM ENGINE RESTARTS EASILY WITHOUT CHOKING.
