

## Grocery Gems & Goodies

by Phil Fitch

Well Folks, despite the cold weather — there are a few "hot items" for this week's Grocery shopper.

This week several pork items are running as specials with ham and pork roast under 90c per pound and pork chops less than a \$1 a pound. In the beef line chuck roasts are being featured at really low prices, so you really do have a choice of either of these items — or chicken for 55c per pound.

In the produce department, lettuce is still holding at less than 30c per head with the price on potatoes still holding steady. Fresh Florida cabbage is now hitting the market at a stable price and fresh Florida strawberries will be hitting the Northern market soon with good quality and size reported.

So-o-o — during this cold snap, this is the time to enjoy that good old-fashioned boiled dinner with ham, cabbage and potatoes.

## Christian Women's Club Announces Format Change

Commenting on the change, Mrs. Simon Aldrich, Club chairman said recently, "The decision was made largely to accommodate the mothers of little children whose naps were interfered with by the previous time. Mrs. Aldrich also wished to reassure prospective guests, who might view the hilltop location of the Lake Lodge with some repudiation regarding winter travel, and said: "The Tech Maintenance Department do a beautiful job of keeping the parking lot clear for us and the Lake Lodge Road is kept in fine shape."

The Council will continue to hold its monthly dinner as usual this month on the 18th at 7 p. m. at the Central Dining Hall at the Alfred State Technical College.
