THE ANDOVER NEWS

Prepared especially for the 3rd Annual Allegany-Steuben County
MAPLE FESTIVAL at Andover, N.Y.,
Saturday and Sunday, April 5th and 6th, 1975

The idea of a Maple Festival has been in the "dreaming" stage of several Andover residents for many years. Three years ago, after the Andover Lions Club was chartered, Board of Director members were discussing possible local projects — and the thought of a Maple Festival "popped up." A committee was selected to pursue the possibilities and report back after summer vacations were over. Then came the disastrous June flood — and most thoughts and energies were devoted to flood recovery.

The committee reported back to the Lions membership body, and it was almost unanimously voted to sponsor the Allegany-Steuben County Maple Festival and Money Display — despite the short time available. Several

Andover Lions members met with the Co-chairman of the "Central New York" Maple Festival committee in Marathon, N.Y., and returned with a "wealth" of pertinent information that was very useful in "finalizing" the plans — with the First Maple Festival sponsored by the Andover Lions Club turning out to be a HUGE SUCCESS!

Profiting by last year's mistakes, the Third Annual Allegany-Steuben Maple Festival should be a lot BIGGER and BETTER.
