Stylex Homes

Stylex Homes feature Anderson windows.

Why spend nights and weekends dragging from House-for-Sale to House-for-Sale? Send for the Stylex Portfolio of Styles and Plans.

Discover how you can get the beautiful home of your choice, and the greatest value for your home-buying dollar in America today.

Stylex builds its world-famous homes in a modern factory which allows rigid quality controls and freedom from weather. Mass purchases of the finest materials result in savings that are passed along to you.

You get long-term savings, too—Stylex exteriors need little or no maintenance.

The home in the picture.

Oxford is a popular example of Stylex beauty and quality. This handsome Colonial split level has 3 bedrooms and more than 1200 sq. ft. of living area. Formal dining room. Breakfast nook. Two-car garage. Like all Stylex homes, it includes fine wall-to-wall carpeting; a cheerful, completely equipped kitchen; luxurious bathroom; Anderson insulated windows (no storm shutters needed!) and many other features.

Want a vacation home . . . but don't know if you can afford one?

You'll find two new Stylex vacation homes in the Portfolio.

Stylex offers you the greatest choice and the greatest value in homes today. Get started—mail the coupon now!

Please send me the Stylex Full-Color Portfolio of Styles and Plans.
