COME TO GREENWOOD, N.Y.

Having taken a "few too many" at a local bar, a pretty young thing ran outdoors, fainted and fell over a trash barrel. A young man saw her, picked her up and carried her to his car.

The next morning he wired his partner in Chicago, "Close office . . . Sell everything, come to Greenwood, N.Y. They throw away better stuff than you can buy in Chicago."

#### HONEY BITTERSWEETS

1 or 2 lbs. comb honey  
Hot water  
2 lbs. semi-sweet chocolate

Allow comb honey to remain in refrigerator 24 hours before using. Cut into pieces about 3/4" long and 3/8" wide with sharp knife dipped in boiling water. Place pieces on trays lined with waxed paper. Chill 30 min. Meanwhile, melt chocolate in top of double boiler. Stir until melted. Remove from heat, cool slightly. Dip comb-honey pieces into chocolate once, chill and repeat, covering well to prevent leakage of honey.

#### BEEHIVE SUNDAE

For each sundae, pour honey over a high mound of vanilla ice cream. Press in semi-sweet chocolate pieces for "Bees."
