One of the great factors keeping our world in constant motion towards progress, good or bad, is a thing called competition. We are competing almost every minute in our lives for top positions in sports, in business, in school and sometimes even with ourselves. One of the worst fears being instilled in people today is the fear of failure. People fear failing to be tops or number one or even to just improve.

Failure is a natural phenomena. No one is perfect and, although there is no harm in trying to achieve perfection, one shouldn't make perfection their foremost and only goal in life. This is a dangerous thing, because one day that person may realize he failed but not be able to accept this and, thus, have condemned himself from any future attempts.

It's a great occasion when one succeeds at his set goal and, if it's possible without stepping on others and crushing them, there is no reason one can't enjoy his success or strive toward other goals. Success is wonderful as long as it doesn't become a threatening obsession. Many people learn more from their mistakes than their successes. Failure is only a stepping stone to succeeding at better things.

The world is full of challenges and these only await for someone to attempt reaching and solving them. There's no reason for anyone to take a crack at any that he so desires to challenge, but one should always remember to bounce back on his feet and try again or find another challenge. You can't get too far sitting down and letting a failure whip you. In order to go anywhere, be it far or near, you have to get back on your feet and put another foot forward. Success is only a few failures away.

Library News

The new Caliphone Record Player is now being used by the Andover Central School grades K - 6. This record player was the prize the grades won in the recent labels for Education Contest.

Many thanks again to all those who collected & sent in Campbell Soup and Bean labels.

The Library Council will meet after Easter and select records to be used with the new record player.

The Book Fair profits will be used to purchase these new records.

Tot Spot

Grade 1 — Mrs. Burdick — The first graders have many things to talk about this month. March was a very busy month. First we went to visit the Mattison Farm to see them make Maple Syrup. We enjoyed our visit very much.

Then we had Music Day for our parents and we sang some of our new songs for them. Mrs. Boyer has been teaching us many new ones this year.

We had an Assembly and saw an artist doing some "chalk pictures". He was very good. He told us that "Love" is the most important thing in this world.

Then, we were busy getting ready for Easter. The Easter Bunny came to see all of us at school and again at home. We even went to the Easter Egg Hunt and chocolate rabbits were won by Willy Jones, John Burton, Collin Champlin and Melissa Ray. We even prepared for the Maple Festival and many of us went to it.

Andrew Stooking and Ed Waite got real live hamsters for Easter. Ed named his "Woody" but Andrew hasn't named him. Melissa Ray received a real live rabbit. There was another calf born at the Lori Herr farm and Fred Flah got a parakeet named "Pauly". Lee Brown got a new baby sister named "Colleen". His grandmother flew here to help take care of them.

We welcome Ed White, who came to our class from Whitesville and we had to say "Goodbye" to Margaret Middaugh who moved to Belmont. We will miss Margaret.

We have two birthdays in April. George Hall celebrated his on April 1st while he was in Canada and James Mason celebrated his on April 3rd. Both boys were 7. Happy Birthday Boys!

Collin Champlin will have a birthday on May 24th. Bonnie Goodridge on May 3rd. Wesley Merrick on May 28th and Marie Perry on May 7th. A Happy Birthday to all of you!

Grade 2 — Doris Church — Many of us went away during va-

cation. Judy Dahn visited cousins in Watertown; Doug Glover went to his cottage at Waneta Lake; Doug Burns to Williamsport, Pa; and Bob Manion visited his grandmother in Ohio.

The winners of the Spelling Jelly Bean Contest were: 1st prize — Karen Goodwin with 70; 2nd prize — Doug Burns with 62 jelly beans; 3rd prize — Annette Miller with 61 — They received chocolate Easter Bunnies.

Annette Miller, Susan Godown and Amy Ray took part in the dancing class program at the Maple Festival. We are proud of their performance.

Grade 2 — Mrs. Peckham — Terry McCormick had a birthday April 1st. Kevin Gaylin had a birthday April 12th.

Shawne Neuroth visited in Watertown. Brian Thorp went to Albany and visited the Mall. Tina Drake spent three days at Susie Godown's home. Fifteen people in our class attended the Maple Festival.

Judy Granger has a new calf at her home. Scott Clarke has a new dog. Kathy Clarke has two new kittens.

We had a tie in our Jelly Bean

Contest. Deborah Frost and William Brisco tied for first place.

Grade 3 — Mrs. Marsh — Amy Marshall celebrated her birthday in April. Greg Goodwin had a birthday in April. Heidi Goodwin had a birthday in April.

Double up, America.

Two can ride cheaper than one.

If you drive to work by yourself, you're spending twice as much money on commuting as you should.

That's too much.

Cut it in half. Take a friend.

Not only will your daily commute cost you half as much, but that monotonous trip will be a lot more pleasant.

Let's double up. Carpools are a great way to get where you're going. Faster and cheaper.
