The Greenwood School Board, by a vote of three to two Monday night, decided to continue the physical education program. The board will be considering the board year as physical education teacher. Recommendation for the board was made by the board by Superintendent Principal Gary Moore and by District Superintendent. Mr. and Mrs. McDonald. More than 100 people attended the meeting and many voiced their support of the conduct of classes. School Attorney Edward Deegan was asked what choice the board had. He said it could grant tenure, require tenure or table action indefinitely so that tenure would be automatic if Kumar returned to the faculty in September. The motion to table was defeated and the motion to deny was introduced and passed. Kumar was coach for the Varsity Basketball and presently has both Track and Baseball. He says its working out as he has great support from the community. The people bought the sweat clothes and the room was heated out on the main floor of the track. There are 25 on for Track 18 boys and 7 girls. And there are 14 on for Baseball, only three with experience.
