### MOTHER'S DAY

I tried to find the right words to say in this article, but after writing two, and tearing them up, I decided I'd write a letter to my own mother and did so with the hopes that you would share some of my feelings with your mother.

Dear "Mom",

How nice that word sounds to me! What would I have done without you. I don't know how many times I've stopped to think about you, Mom, and all the things you've done for me.

You've been a "special" friend to me. I've been able to share my hopes, dreams, and ambitions with you, and you've always been there to give me advice.

And now as I am eighteen, almost ready to graduate from high school and leave home for college — I have been thinking as to what I'm going to do without you next year by my side. But I'll get along because you'll be beside me in thought, and I hope you will go on being proud of me.

I hope this shows you how much I love you. And I am especially lucky to have you for my mother, even though we've had some rough times, as I'm sure everyone has we've had many better ones. All the things we've done together, places we've gone together and the things you've given up for me.

Well, Mom all I can say is "I love you" and "Happy Mother's Day."

Love  
Marsha

## Senior Interview

The other day I was wondering if this school realized the disaster it will have to face next year. Do you know how difficult it's going to be to adjust to not having one of the most popular students around here at A.C.S.? Everyday someone will be wondering what kind of mustache or bread he's growing on that day.

Are you wondering who this mysterious senior is? He is often referred to as "Shamus", but his entire name is Mr. Shawn Francis McCormick. This Irishman was born almost eighteen years ago on May 2, 1957 to Mr. and Mrs. Francis McCormick.

Shawn lives on the large dairy farm on Route 17 just outside of Andover with his brothers Terry and Jamie, and his one sister, Charlene.

Let me tell you a little bit about this particular senior of the week.

Only Shawn tried to get married in first grade, or did the Hula in sixth grade, went to San Francisco tried to be top disc jockey on WLSV Teen Time, slept in the Smithsonian.

Now that I've told you just a few of the "good" things Shawn has accomplished, let me tell you some more. "Shamus" has been a very sports-minded and active person.

He was in soccer for four years, track for four years, and basketball for three and a half years. Last year Shawn played a lead part in the Junior play, "It Runs In The Family". His part was Alvin Pennywinner — a football player.

This senior who is an alternate for a Regents Scholarship, also has played the drums in Senior Band for four years, Marching Band, six years; All-County Band for three years, and has been a Student Council Representative and Vice President for the Senior Band. Shawn was Secretary-Treasurer in his freshman year, President of the sophomore class, and its Vice-President in his senior year. He has also been active in Student Council for four years, Red Cross for four years, and a PTSA member for two years. This year he played the part of "Bing Wilson" in the Senior play. He has also served on advertising for the Yearbook.

I would also like to announce that this student who was voted the conceitability award, attended Boys' State last year and was in Who's Who American High School Students.

Shawn has majored in math and science and plans to go into either Political Science or history. He has been accepted at both St. Bonaventure and Northeastern.

However, next year he has decided to attend Northeastern University. Good luck and success — A.C.S. will miss you.

## Career Day

by Lori Stein

In an attempt to provide tenth grade students in Allegany County with a greater awareness of job opportunities, the Career Education Office, and the Guidance Counselors set up a Career Information Day, held at the Belmont BOCES school. It was held May 2, 1975 for all interested sophomores.

Each student had the opportunity to visit four classes of her/his interest. All the sophomores had a wonderful time, giving them a chance to explore the "ups and downs" of various occupations.

The same opportunity is being offered to the eighth graders on Monday, May 19. This visitation should aid them in choosing their high school curriculum.

## Pantherettes

The Girls Softball Team has so far had a good season and are undefeated. April 26, Andover beat Bolivar with a score of 32 - 11. Their last game was at Alfred and they won a tight game of 32 - 31.

Their next game will be May 6 with Whitesville. Come to the games! Give the girls some support!

### BASEBALL

by Dale Russell

Thursday, May 1, Andover lost a close game to Belmont 3 to 2. Andover had an all bases loaded, no out situation in the bottom of the seventh, but failed to score as Belmont came up with a double play and a ground out to win the game.

Andover and Belmont had four hits each, and Andover had 5 errors to Belmont's 4.

Tim Mead was the losing pitcher with 9 strikeouts and 3 walks, while John Trovetti was the winning pitcher with 5 strikeouts and 5 walks.

Friday, May 2, Andover lost a non-league game to Alfred-Almond 10 to 1. Andover beat the same team earlier in the season 5 to 3.

Andover didn't seem to have their heads with them, as they committed 7 errors to A-A's 4. The only base hits for Andover were by Steve Scott and Marty Geer, while A-A collected 9 hits. Rob Hyland, Steve Scott, and Jay MacMichael, shared pitching honors while gaining experience on the mound.

Andover has 2 wins and 2 losses in league competition and has 1 win and 1 loss in non-league competition.

## Track

by John Davis

Saturday, May 3, Andover attended the Annual Alfred-Almond Invitational. The team gave a fine performance, defeating Richburg, Addison, Whitesville, Friendship, Angelica and Belfast. Several individuals performed well for Andover.

## Spy!

S.M., your mother, is a little worried about you and a certain little incident that you witnessed — why?

M.W. — did you make it out safely Saturday night?

Well, we know who took the cheerleading car last Saturday night and it seems he returned now before "someone" gets in his trouble.

S.D. — what's this about waiting to watch Michael J. pitcher a couple of weeks ago?

K. Hulse — did you ride in your green truck lately — we think it's great.

A certain freshman at senior high it that you are going out with someone "considerably older" — if true you better watch out for a certain girl with a white car and she is very hot.

Laura and Kent — was that you I saw swinging from a tree last Saturday night?

Mike B. — did you ever find any nightowls?

I hear everyone was in bed by 7:00 A.M. on the Senior Trip. Were you all really in this early?

I see Marsha is making many shopping excursions to Whitesville. Just what is it you're trying to find?

## F.H.A. News

by Cindy Tomm

What's new in the active F.H.A. Department? During the week of April 29 - May 3, three girls, two officers and one advisor, attended and participated in the State Meeting at Grossingers, New York.

It included a general session which was presided over by Cindy Tomm. The topic was "Getting Involved". Workshops were held on marriage, dating, adoptive child ren, Bi-centennial, government drugs and many other subjects.

There was also a banquet followed by a beautiful and emotional installation ceremony. The last day included a report by the National Committee Member, Sara Panton, the new officer reception and old officer farewell. All and all the entire State Meeting was very successful, enjoyable and informative.

The Future Homemakers also have another piece of information which is very IMPORTANT. The Fashion Show which was previously scheduled for May 22 has now been changed to May 29 at 7:30. This fashion show is only sponsored by the F.H.A. Anyone from preschool to twelfth grade may participate. Forms have gone home to the parents. Please register your child by Monday, May 12. If you need a form, please have your child ask for one at school from any F.H.A. member.

The results of the King and Queen Contest will be announced during the intermission of the Fashion Show. Also the assembly which is to inform the students about F.H.A. will be held on May 23, during period 2:45. We would appreciate the participation and cooperation of everyone.
