Editorial

by Diane Bliss

Probably the two most cowardly words can be said as being "I can't". So many people use these when something new or challenging arises, to escape not only the change and challenge, but to escape any possible backlash or failure.

Think positive. It puts a little excitement into life's dull routine once in a while. Think "I can" or even "I will" because once you convince yourself that it's possible, the challenge is half met. Once the word "I can't" slips out of your mouth, you've "cooped" yourself out. You admit total defeat before you even start. So think positive. Think "It's possible". Think "I can".

Negative attitudes can lead to a monotonous, negative life full of unmet challenges and suppressed emotions leading to a rather grumpy attitude toward life itself. Remember the positive side of life. Believe in yourself, life and challenge. This doesn't necessarily mean to become obsessed with competition or success. It only means to give objectives and challenges a fair try. Then you at least know an effort was made. Just keep in mind this positive note because there is very little to stop one who believes he can do anything he really sets his mind to accomplish.

Think "I can" and after that sinks in, the words will rapidly change to "I will" and "I did" or "I tried". These will make your life so much more full and accomplished.

Panther Prowl

BASEBALL

by Dale Russell

Andover travelled all the way down to Oswayo Valley to lose his fourth game in a row. Oswayo Valley had 5 hits and their pitcher Bill Sampson struck out 8 batters and walked 4. Andover's only base hits were by Marty Gier and Gary Berden. Tim Head and Bob Hyland shared the pitching honors for Andover. The Panthers just can't seem to get that hit on the ball as they've had just eight base-hits in the last four games.

On May 8, the Panthers finally found out how to hit as they broke their four game losing streak by defeating Whitesville with an encouraging score of 4 to 1. The exciting game was a pitchers' duel. Andover's starter, Tim Head, pitched a solid game, allowing only one run in the bottom of the third. Starting pitcher, Bob Hyland, was replaced by Tim Head after three innings and came up with the victory as Andover scored one run in the fourth, fifth, and sixth innings to gain the victory.

Andover is presently, 4 and 4 overall and is 3 and 3 in league competition. Andover is tied with Scio for second place, who is also 3 and 3.

Pantherettes

On May 8, the Pantherette Softball Team was faced with first defeat of the season. Whitesville captured the win with a score of 19 - 7. It left them with a record of 3 wins - 1 loss.

Their game with Alfred-Almond on Monday, May 12, was postponed until a later date because of rain.

Good luck and keep swinging 'em, girls!

Tennis

by Curt Vars

On Tuesday, May 13, the Tennis Team was beaten by Cuba. The score was 5 - 0.

The next games are Thursday at home with Scio and Friday at home with Alfred-Almond.

Let's get out and give the team some spectator support. It surely would help.

Remember When?

Burchie did a job on the vice machine? We all used to Roller Skating? Three of us tried to cook some scrambled eggs? Sherry and Alex, remember? We had our hair cut and Shawn and Chris did the hair? Dave and Rick weren't in trouble the last of '74 was in Kindergarten (long time ago - huh?) Linda married after her shot in fifth grade? We used to call Sara "Cherry"? One night when four of us girls (you know who you are, don't you) went to Whitesville on tour? Deb didn't have certain crutches? David A. was engaged to B. D. Mary N. was quiet and shy? CeCe talked to Roger Ramjet as "Roger"? We all played with Bob B.'s parakeet? Seniors - remember on the trip where we all practiced the word of the day?

Letter Of Appreciation

May 10, 1975
 To the F.H.A. Mothers-Daughter Banquet, May 10, 1975, was a very special occasion. The mothers and daughters who attended the banquet were very well entertained and enjoyed the evening. The banquet was a great success and we are very grateful to all who participated.

There are also many things most students don't realize that you do. Remember all the parties at your home? We remember the great times. Many years for the Spring Concert, you paid for flowers which are traditionally given to seniors, plus even buying your own flowers.

But more important than money, is your time. Many hard hours do not go unnoticed in making these things at school. As Andover, we have been really lucky to be able to participate in these activities.

You have had to give up your time to help us. You also have gone to school, then to our school, to belong to the Allegany County Music Association.

It is easy to have a group of students singing together. But to get them to sing in a harmonious way, they have to be taught rhythms, notes and words. We think you have done a good job. We know that we have enjoyed having music in our school, and we hope that you will be able to continue it.

We know you have put up with a lot of things from the 1975 seniors. We know you have been very patient. We know you have been very understanding. We know you have been very kind. We know you have been very helpful. We know you have been very generous. We know you have been very loving. We know you have been very caring. We know you have been very giving.
