Mailbox Improvement Week

The Postal Service designates a week during May each year when customers on rural, city motorized, and contract delivery routes are encouraged to examine and improve, where necessary, the appearance of their mailboxes. The week of May 19 - 24 has been selected this year. The purpose of Mailbox Improvement Week is to call attention to the need for providing mail receptacles which are designed to protect the mail from the weather and are neat in appearance, conveniently located, and safe to use. Neat, attractive mailboxes will make a significant contribution to the appearance of the countryside and the streets in suburban areas.
