The Rossi report has published the results of the input meetings last week at the school. The first three options of the Rossi report involved no change in the Greenwood District with a total of 53 favoring these. A total of 86 votes was given the three school members of Greenwood, Jasper and Franksburg. This would keep our eight grades here and build a high school. There were 47 votes to move with Canisteo and 34 to merge with Whitesville. The Greenwood Board has invited the Jasper and Franksburg Boards to meet with them to examine the report.
