It was also decided to issue an appeal to all Public Minded Citizens to ask for their help to serve on Committees to help manage different aspects of the Celebration. This is a Community project and the spirit of the celebration is to "Share" and it is hoped that it will continue for this Annual Fourth of July Celebration.

And last but not least, anyone who can't help but would like to contribute to the fireworks or Parade Prizes can do so by sending their contribution to Mel Mickle, Treasurer of the Committee.

Following is a letter received from 2LT. Tom Polmateer that arrived to late to be read at the Alumni Banquet.

Dear — The Committee, Charity McCormick on whoever gets stuck reading this.

By means of introduction I'm 2 LT. Tom Polmateer. Remember, Mary's little boy. Anyhow, last year at this time all on the same day I graduated from Conesus College, was Commissioned and attended the Alumni Banquet. Pretty busy day, and night, and I just wanted to say you all made me proud to be from Andover that night. I won't thank you for the hangover the next day.

For what it's worth, I thought this would be a convenient and appropriate medium in which to congratulate my cousin Deb on being in the graduating class. Also it would give me a chance to say Hi to many of my friends. You can also use this for a filler in case the speeches are boring and the jokes lousy. Course I know they won't be.

To those individuals present who may have been questioned by the Army back a couple of months ago — let me express my thanks as my Top Secret/Background Investigation came back satisfactory. For those interested, I am now assigned to Weapons Support Detachment, Korea (Provisional), 4th Infantry Command at Chuncheon, Korea. Quite a mouthful, isn't it? Nuclear Support Team training is a challenging and exciting job for a young Lt.

It hasn't been done already, but I propose a toast to the graduating Class, to Charity McCormick, to Andover and to the members of the United States Army. I will see you tonight.

2LT Tom Polmateer

News That's Print To Fit

Well Folks, how did you like that "breath of summer" we had for a couple of weeks in May? Pretty nice wasn't it — but why did it have to end on the first of June? Kinda spoiled us didn't it? Oh well, its bound to warm up again by Graduation time so everyone can be miserable sitting through the exercises.

Guess one of the most pressing issues at this time is the forthcoming Fourth of July Celebration that has been an annual event for the past twelve years.

At the present time it seem as if many of the former supporters are "resting on their laurels" after such a successful "Sesqui" Celebration — or else its just that old "let-down" feeling.

Ennahoo, many hands are needed from now thru the Fourth to make "light work" to keep this program rolling for next year's BIG "Bi-Centennial".

Remember, without a Celebration on the Fourth, many local Organizations wouldn't be able to derive this income as a money making project to help support their programs throughout the year that they have come to rely on and, the "Spirit of the Fourth" and "Ye Olde Home Towne Spirit" could easily get lost.

After all, Andover has a great reputation all over this area for its "Home Town Spirit" in supporting annual events like "The Maple Festival", "Fourth of July Celebration", "C of C Minstrel Show, as well as its sports programs at ACS and the Community.

Won't you join in and help the Committee "Get the Show on the Road" again this year? Call Mel Mickle at 478-8440 and offer your services — or attend the meeting next Tuesday evening at "Jim" Jackson's home on Rochambeau Ave. Extension.

How many of you Fathers would like to take your 15 year old — or younger, son to a sports affair where you both could get to meet and talk to some of the "Football Greats" of the past Super Bowl Game?

Well, we were notified today that some tickets are available for a "Sports Get-Together" at the Sheraton-Gatehouse Motel in Henrietta on June 20th from 7:30 to 9:30.

Franko Harris of the Pittsburgh Steelers who was voted the "Most Valuable Player" of the "Super Bowl" this past year as well as other Football Stars will be on hand to meet and visit with attending guests.

Tickets are \$25 for an adult accompanied by a child 15 or under and includes cocktails and snacks. Anyone interested can check at the News Office for tickets or call Wells Stout in Wellsville.

Andover Lions Chicken Bar-B-Q Successful

The recent Andover Lions Club Chicken Bar-B-Q held on Memorial Day, was termed a "Big Success" by co-chairmen Bob Goodridge and Al Cornell as over 500 chickens were sold.

The Lions Club expresses their many thanks to it's friends and supporters that made this first annual Chicken Bar-B-Q so successful.

Special thanks to the Wellsville Lions and Past District Governor Jack Collins who prepared and cooked the chickens.

Rescue Squad Report

The Andover Rescue Squad report for the month of May shows that Ambulance 2-R-9 made 7 runs for a total of 150 miles and used 23 manhours.

Ambulance 2-R-17 made 2 runs for a total of 163 miles using 15 manhours.

Respectfully submitted,
James R. Haugh, Captain
