United Speedway

Holland International Speedway, Inc. held its 16th Annual Demonstration Derby this weekend. The once a year event at the 3/8 mile oval features mechanized mayhem with the winner determined by the last car running. The Derby will be the last event following the 11 race card of Late Model Sportsmen, Limited Sportsman and Challenger divisions.

Many entries for the Derby have already been received. The larger cars are the popular choice of the majority of competitors due to their ability to withstand the crashes. Two top awards are given one for the last car running and one for the best show.

In the Late Model Sportsman division, Ed Russell of Amherst took home his first checkered flag of the season in his Plymouth Duster. The local Chrysler entry

among many Camaros, Russell is emerging as a strong challenger. Sponsored by Trans-Towne Dodge, the stock car was purchased from Richard Petty enterprises through the Chrysler Corporation. Russell will again be competing this Saturday night in the division leader Dick Flaherty of Rochester and three time Champion Art Clark of West Seneca.

Charlie Neumann of Buffalo has taken over the number one spot in the Limited Sportsman division. Doug Hewitt of Perry had led the division the majority of the time up until the Mid-Season Championship on July 6. While leading that event Hewitt lost control after the car of Bob Shepard had blown an engine. Hewitt has now slipped to third place behind fellow Perry resident Paul Weber. With the retirement of Jerry Diabla of Orchard Park, Larry Haynes of Smith Wales now has climbed within 87 points of gaining the top in the division. Running a strong second is Ron Nurni of Hamburg followed by Keith Marquardt of Kenmore.

Racing gets underway with practice at 6:00 P. M., first race at 7:30 P. M.
