Grocery Gems & Goodies

by Phil Fitch

Hi Folks! Despite all of the fancy stories, pictures, and what have you from the canning lid manufacturers, the situation seems impossible for us this year — as we get no results, and, — No Deliveries!

For this week's "best buys", in the meat department, Ground Chuck is still holding fast at 99¢ with Ground Beef at 79¢ a pound. Young 5-9 lb. Turkeys are on special at 69¢ and Beef Liver is only 69¢.

Prospects are a little better in the beef line for the future as it is predicted that beef prices will start to decline around the first of October.

In the Grocery Department Flour is on special with a 5 lb. bag priced at 69¢, a 10½-oz. can of Campbell's Chicken Noodle Soup is 18¢, and King size MB Bread is 2 loaves for 89¢. And for you home canners, we have some Cider Vinegar for \$1.37 per gallon.

Well, that's just about "wrap" it up" for this week, so see you around.
