

One of the popular attractions at the Annual Lawn Fete, the "Dunking Chair", and certainly a sure fund raiser, since it is an amusement type of sport with no overhead. All it needs for operation is a volunteer who doesn't mind getting dunked once in a while when some one scores a "lucky hit" with a "bull's eye" and trips the mechanism.

## Grocery Gems & Goodies

by Phil Fitch

Well Folks it sure is hard to realize that we have the Labor Day week-end facing us which signifies the end of summer and begins the "back-to-School" routine. And, as an extra service to our customers for their convenience, we will be open from 9 A. M., until 1 P. M. on Labor Day.

This is the week to stock up on many items that are on "specials" as many Grocers are selling items below cost to try and get business that they would otherwise lose because of the extra strain on family budgets from buying school clothes for their children.

In our meat department, Chuck Steaks are 79c per lb.; Boneless Swiss Steak is \$1.29 a pound; and Ground Chuck is still only 99c. Tobin's Smoked Picnics are only 89c a pound, and Wilson's Corn King Wieners are 69c for a 12-oz. package.

Most produce is very reasonable this week due to the influx of many home-grown items, with U. S. No. 1 Potatoes at 79c for a 10 pound bag, California Iceberg Lettuce at 33c per head, and Michigan Pascal Celery at 33c a bunch.

As for the specials in the grocery department well really they are too numerous to single out each item so, why don't you just come in and "browse around" and pick out what you need the most!
