## HI-HERALD

### Senior Interview

by Nancy Stephens

On September 25, 1958, Mr. and Mrs. John Atwell, were proud parents of a bouncing baby boy. John didn't know what he was doing when he came into a family of girls, his two sisters, Vicky and Ruth.

John attends BOCES at Belmont and is taking auto mechanics. He hopes to be a very successful auto mechanic and we all hope he will be.

When I asked John what he liked to do in his spare time, he said he liked girl watching. Luckily, I was to get a little more out of him. He also said he liked to work with motorcycles and snowmobiles and when he has enough time, he likes to hunt with a bow.

Our class was very fortunate to have a guy like John. After all, John, what would we do without you?

### The Creative Corner

#### THE THORN APPLE TREE

The old tree stands in the openness of the fields,  
Snarled, twisted, entwined about itself,

Thorns forever ready as a militia of lances,  
Branches reaching low but wide,

The old tree stands in the openness of the fields.

No wet, seething juices from tart, wild apples,

No leaves of green to shade by, no fruit,

No grace left in its bending arms, no life,

The fungi have drained its blood leaving

No wet seething juices from tart, wild apples.

The old tree stands in the loneliness of the field

It fought off all possible friends or foe,

Lances were ready to draw the redness of life

It no longer offers fruits fallen rotting to the earth

The old tree stands in the loneliness of the field.

The old, dead tree stands in the loneliness of the field.

### Regents Scholarship Exam

by Lori Bridge

On October first the Regents Scholarship Exam was given in the high school library. There were 26 students out of the senior class that took the exam, which took the whole day. The students who took it are: John Atwell, Gary Barden, Diane Bliss, Debra Buckwalter, John Davis, Russell Godown, Marty Grossman, Brian Halsey, Brenda Hlaugh, Robert Hyland, Jay MacMichael, Lisa Marsh, Jim Pitts, Doug Preston, Mike Richardson, Dale Russell, Steve Scott, Kevin Shaw, Teresa Smith, Nancy Stephens, Cathy Swartz, Ray Thompson, Curt Vars, Bob Wallace, Melody Weber, Eric Wilson.

Any of these students is eligible to get the Regents Scholarship which provides \$250 a year, or a Regents Cornell Scholarship, which provides tuition reductions of \$200 a year.

### Teen Time

Two Andover seniors will be hosting Teen Time on WLSV on October 11, 1975 from 10:00 - 11:00 A. M. Each year the radio station in Andover sets aside an hour of its Saturday broadcast to give surrounding schools the unique opportunity to have selected students experience the art of broadcasting. Andover will be featured on one of the first Teen Time programs.

Hosting Andover's Teen Time will be two seniors the first time Andover is represented. If a second opportunity arises, the broadcasters will be picked from the Junior class and, if a third or more opportunities are available, the sophomore class or lower class will choose two members to represent ACS.

Teen Time will feature interesting information about our school, its organizations, and its activities along with your favorite music. Be sure to listen in. It's always good for a few snickers and great entertainment for a Saturday morning. Remember, Saturday, October 11 at 10 A. M. on WLSV you should tune in to hear ACS on Teen Time.

#### ANNOUNCEMENT OF INTENT TO PERFORM FLOOD ELEVATION STUDY

The Federal Insurance Administration of the U. S. Department of Housing and Urban Development announced today that under authority of the National Flood Insurance Act of 1968, as amended, (P.L. 90-448) and the Flood Disaster Protection Act of 1973, (P.L. 93-234) it will fund a detailed study of the flood hazard areas in the Village of Andover, New York. The study will be performed for the Federal Insurance Administration by GOODKIND & O'DEA, INC., CONSULTING ENGINEERS AND PLANNERS, 25 WEST 43RD STREET, NEW YORK, NEW YORK.

The purpose of this study is to examine and evaluate the flood hazard areas in the community which are developed or which are likely to be developed and to determine flood elevations for those areas. Flood elevations will be used by the community to carry out the flood plain management objectives of the National Flood Insurance Program. They will also be used as the basis for determining the appropriate flood insurance premium rates applicable for new buildings and their contents, as well as determining the rates to be used for the second layer of insurance on existing buildings and contents.

This announcement is intended to notify all interested persons of the commencement of this study so that they may have an opportunity at a public meeting, soon to be announced, to bring any relevant facts and technical data concerning local flood hazards to the attention of the Chief Executive Officer of the community for forwarding to the appropriate representatives of the Federal Insurance Administration.
