SOCCER

At the final regular season game at Richburg the Panthers defeated Richburg 7 - 0, this ended the season at 12 - 0 the only undefeated, untied team in the area. Gary Barden exploded with a five goal game which gave him 20 for the season. Tim Mead scored on a penalty kick, Rick Cahill added on a corner kick.

The next game will be Wednesday at Belmont against the winner of the Friendship-Angelica game.

CROSS COUNTRY

Last Tuesday the Bolivar team traveled here to meet our Cross Country team. It was a hard fought meet, with Andover taking the top two spots. John Davis finished number one, followed by Brett Grossman. Russ Godown was the next spot at seven. With no time to worry about that loss we got ready for Cuba and our last home meet of the year.

John Davis came through with the number one spot again, but the team lost to Cuba, and finished up the season at 2 - 9. The conference race at Bolivar is Tuesday.

GAA has ended their cheese sale. They expect to make around \$200.00 profit which will go toward paying for the girls new soccer uniforms.

We still have to have more fund raising projects throughout the year to finish paying for the soccer uniforms and to do other things we have planned for the year.

The GAA would like to thank all the girls who sold cheese and all those who bought from them.

Cathy McCormick sold the most cheese with a total sales of \$65.00.

Spanish Classes Collect Labels

The Andover Central School Spanish Classes are collecting labels from Red and White foods. If you have labels you will donate please give them to any student taking Spanish or to Miss Baseuin.

Pantherettes

Winding up their regular soccer season with a hard fought game against Belmont, the girls lost 3 - 2. Since Belmont went on to capture both County trophies Andover is proud of the competition we provided for them.

Our overall season record stands at 9-4-1 this year.

On October 24, Andover had a scrimmage practice at Jasper. Playing without six of the starting line-up, Andover held them at a 2 - 2 tie.

On Monday, the girls traveled to Angelica to meet Belfast. The winner of this game would move on to the sectionals. Enthusiasm was high, the girls wanted to be the first Andover girls soccer team to go to the sectionals. Good solid team work shut out Belfast 2 - 0. Goals were scored by Cheri Haskins and Brenda Lehman.

On October 30, the team journeyed to Alfred-Almond to meet Hammondsport, a Class B School for their first sectional game.

The girls have worked extremely hard this year and are hoping to continue their winning streak. Best of luck girls!

Teachers Rooms

by

Karen Joyce & Paula Stewart

This week we interviewed a teacher who did something really great over the summer - He got married! This teacher is Mr. Richard Nicol who has taken Mrs. Woodruff's place this year.

Mr. Nicol is taking two courses at St. Bonaventure, one in Evaluation and Supervision of Instruction, the second is School and Community Relations.

Mr. Nicol is going to be taking over the Cubs when they play against different schools. He also is Junior Varsity Basketball Coach. He's in charge of the Senior Play. He teaches one section of the eighth grade class and eleventh and twelfth grades. Mr. Nicol is very active around the school.

The second teacher we interviewed was Mrs. McCormick, who we all know as the "School Nurse". This summer Mrs. McCormick worked on the Kindergarten Registration. She is the head of Future Nurses and she is organizing Candy Strippers. She attended the American Cancer Society Annual New York State Division Meeting as the delegate of Allegany County. She is a voting member of the New York State Board of Directors Cancer Society. She is going to be attending the Health Conference on the 9th, 10th and 11th of November at Grossingers.

Here at ACS, we have a special elective for the BOCES students of the Senior Class. These students are able to take Home Economics and Shop ninth periods. This may not seem too surprising but it is the girls who take Shop one semester and the boys who take Home Economics. They reverse classes the second half of the year.

The students seem to enjoy this change and they also seem to get along well with the teacher. I really think Mr. Barden likes having all those girls around.

The girls have classes every day, while the boys have classes Tuesdays, Wednesdays and Thursdays except for the second Wednesday of every month. While the boys are making anything from brownies to chocolate pies, the girls are making anything from wooden salt and pepper shakers to leather belts or bracelets. They all seem to be enjoying their classes immensely, and I hope they continue to have fun.

Wanted

The Home Economics Department of Andover Central School is searching for the June 1975 issue of "Better Homes and Gardens". Anyone interested in donating his copy may leave it at the school office or call the school and a student will come for it. The Department will greatly appreciate receiving a copy.

All-County Concert

by Lisa Marsh

After three practice sessions the All-County Junior Band, Junior Choir and Jazz Band and Choir gave their performance Saturday night in the Wellsville High School Auditorium. Many parents, teachers and friends came to see the Annual Fall Festival; most of the seats were filled. At 8:00 p. m. the Concert began with the Junior Choir, singing such selections as: "Then Jesus Wept", "This Is My Country", "Shenandoah", "Give Me Your Tired, Your Poor". Our Mrs. Boyer was the assistant director and Sue Dougherty accompanied the Choir. Other Andover students who participated in the Mixed Chorus were: Michele McNeill, Chris Manion, Tracey Manion, Stephanie Lehman, Cindy Thorp, Scott Haskins, Michael McNeill, Marc Rowley and Clark Schweigart.

Then Shelley Brown, Tracy Richardson, Glenna Weber, Karry Shaw, Susan Bliss, Lisa Howland, Debbie Howland, Marcy Mead and Robyn Baker participated in the Junior Band to play: "Salute To Stephen Foster", "The Green Leaves of Summer", "Star Spangled Spectacular".

Six members of Andover played in the Stage Band: "Maple Leaf Rag" and "Spirit of 1976", were the two selections and in a third "All About The Blues", the Stage Band backed up the Jazz Band. Members of the Jazz Band were: Melody Crittenden, Jim Pitts, Mike Richardson, Tim Mead, Lisa Marsh and Doug Preston. Jazz Choir members were: Nancy Stephens, Brian Halsey and Curt Vars.

PSAT

by Lisa Marsh

Preparing for college is sometimes a job full of headaches and despair. Tests that rank you for admission have to be taken such as the college boards (SAT). This is such an important test that a preliminary test is given (PSAT). It is basically the same as the SAT a standardized knowledge test, but it is not used fully to determine admission to colleges and universities. A number of the Junior Class participated in this test. Saturday, October 25.

New Students In Junior High

by Debbie Buckwalter

Two eighth graders and one seventh grader are new in our school this year; Brother and sister Teresa Outman (7th) and Edward Outman (8th) and Brenda Smith (8th).

Teresa is the second oldest in a family of four children, who moved from Waterloo, New York to Andover at the beginning of the school year. Coming from a school of approximately the same size made the move a little easier except that in the Waterloo school system, only seventh through ninth graders attended the school. So it's a change to see the younger grades in the same school.

Some of Teresa's interests are sports: soccer and football, and music. She took guitar lessons for a while. After going over thing Teresa likes, I asked what she doesn't like. The prompt reply, "Homework".

Ed Outman, the oldest of the four children, had a few comments about the change from a junior high school to a school of all with others of his own age, he said, grades K - 12. He liked it better because the interest range was the same range throughout the school, rather than having such an interest difference due to the age difference here at ACS.

When asked what career he would like to pursue after high school, Ed expressed interest in a field related to mechanics.

Brenda Smith, from West Seneca, also came from a divided school. The town had three elementary schools, three junior high and two senior high schools. So she has noticed even more difference.

Brenda is the oldest in a family of three children, who have also taken in a foster child, age thirteen.

I asked Brenda what main differences she's found in the two schools. She said the main one is in the competition of girls' sports which she is very interested in. "The competition," she said, "was much rougher in West Seneca. I liked that." Her other interests include reading biographies. She's like to go into teaching as a career but doesn't know what subject yet.

Welcome to ACS from all of us. We hope you'll enjoy it.

THE WAR

by Todd Jordan

There is a door that leads to war,
And there's not just one door,
There's more.
It leads army tanks, army men,
And most of all,
It leads to trouble!
And I mean double trouble!
It could lead to death
Upon men that go,
And so they go.

TAKES A LITTLE WEEPIN'

by Deanna Dodge

It takes a nine months to be born,
Takes only minutes and you're dead.
Someone knifes you in the back
Or puts a bullet in your head.
Isn't it funny how they never seem to miss,
And it was only money that they wanted; yes it is.
When a baby takes his first breath
of life, he lets out a cry.
From the moment he is born, 'till he wakes from his last born, he's learning to die.

Children's Pictures This Year Taken In Color

For many years the News has been running a pictorial feature of the youngsters in this area as "Citizens of Tomorrow". In the near future we will again be publishing free a picture of all the children who are brought by their parents or other guardian to the following locations:

Andover - Wed. Nov. 12 - 1 to 6 P. M. at the Grange Hall.
Greenwood - Thurs. Nov. 13 - 2 to 6 P. M. at the Town Hall

LIVING COLOR

An expert children's photographer will take the pictures to assure uniform quality and size for best reproduction - and this year will be taken in natural living color. Please dress your children colorfully to take full advantage of the beauty of color photography. The pictures will run in black and white in the newspaper.

NO COST TO PARENTS

There are absolutely no strings to this invitation nor are there any charges to the parents - they do not have to be subscribers or even readers of this newspaper to participate. Neither are the parents obligated to purchase any of the color pictures taken.

Those who might desire color photographs may obtain them by making arrangements with the Studio Representative when they select the pose they wish to see printed in the News.

There is no age limit and older children and family groups are especially welcome.

APPOINTMENTS

Appointments may be made by calling: Mrs. Paul Ordiway (478-8280) Andover; Mrs. Roger Williamson (225-4594) Greenwood.

While appointments are not necessary to have your children photographed, it could avoid your having to wait. Check this date on your calendar now and help us make this a memorable community feature.

Photography will be handled by the Dansville, N. Y., office of Woltz Studios, Inc.

His life will be short, fading bit by bit,
And if he lives a hard life, whose fault is it?

It just takes a little weepin', sometimes you need a little doubt.

It takes a little weepin' and things will all work out.

He just wants to do the right thing wants his dreams to come true. He needs a little freedom, just to get him through.

Isn't he a bit like me and you? Sometimes the boy gets lonely, but he's trying to be a man.

He tries his best but only, he just doesn't understand.

That it takes a little weepin'; isn't that what life's about?

Learn to run before you're creepin' remember big boys don't pout.

And when his life is over, he doesn't have to run,
Someone's taken over, the new born one, his son.
