Children's Pictures Taken Free In Color

Wednesday and Thursday, November 12 and 13 are the big days set to take Living Color pictures of your little ones. The News is having pictures taken of all children accompanied by their parents or other guardian at the following locations absolutely free of any charge or obligation. There is no age limit.

ANDOVER — Wed. Nov. 12 — 1 to 6 p. m. at the Grange Hall.

GREENWOOD — Thurs. Nov. 13 2 to 6 p. m., at the Town Hall.

The News wants to publish a picture of your child in photographic feature series of local children entitled "Citizens of Tomorrow".

A professional children's photographer will take the pictures in Direct Living Color. We emphasize, therefore, that you dress the children colorfully so as to take full advantage of the beauty of Color photography.

NO CHARGE TO PARENTS

There is no charge or obligation for taking the pictures. Parents don't even have to be a subscriber to the News nor even a reader. You do not have to purchase pictures either. Proofs will be shown in Color and you may obtain Color portraits by arranging direct with the studio representative if you want them. That is entirely up to you! The pictures appearing in the newspaper will be in black and white.

GOOD PICTORIAL FEATURE

In keeping with the quality Feature policy of this newspaper, we want to make this a memorable Feature. This means we want all the pictures of local youngsters we can get to run in the paper. Kiddies and parents alike will reap no end of fun and pride as the pictures appear in the paper. Mothers and fathers of children in the area which this newspaper circulates, please help us and remember the dates and bring your children to be photographed.

If you have not already made an appointment for this community event do it now. Call Mrs. Paul Ordway (478-8280) Andover and Mrs. Roger Williamson (225-4594) Greenwood and avoid the possibility of a long wait.

Photography will be handled by the Dansville, N. Y., office of Woltz Studios, Inc.
